Don't have a Patient Portal account?

[Sign up today](#) to stay connected to your health care.

Welcome to the Communicator Product UPortal 2 Patient Portal!

We are pleased you have chosen to use the Patient Portal to communicate in a secure and confidential manner with your care team.

Taking just a few minutes to register will give you access to valuable information and services provided in a secure and confidential manner. Once registered and logged in, you will be able to:

The patient must indicate that they are signing up for themselves ("Are you the patient?"), as well as their date of birth and email address.

[< Back to login](#)

Hello there.

Before creating an account, we need you to answer some questions.

*Indicates a required field

Are you the patient?*

Yes

No

Your Information

Date of birth* (MM/DD/YYYY)

01/01/1980

Email address*

@gmail.com

A verification email is sent to the patient's email address.

[< Back](#)

Check your email.

To verify your identity, we've sent an email to
@gmail.com.

From this email, the patient clicks Create My Account.

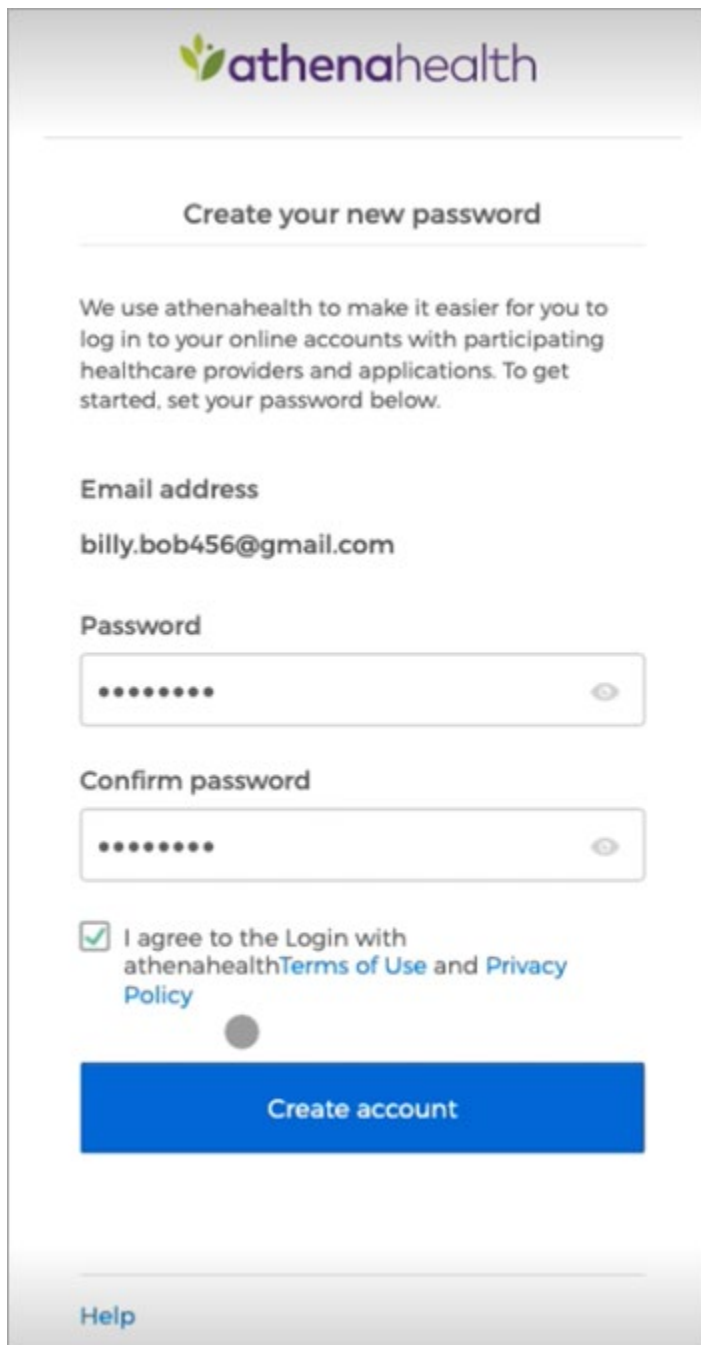

Finish setting up your portal account

Your Patient Portal makes it easy for you to
manage your health information online.
Create an account in just a few minutes.

[Create My Account](#)

For these users, demographic information is not required. After they receive their verification email and click Create My Account, they are taken to the create your new password page.

The patient creates a password for their Patient Portal account.

The image shows a screenshot of the Athenahealth Patient Portal account creation interface. At the top is the Athenahealth logo. Below it is a heading "Create your new password". A paragraph explains that the portal is used for logging into online accounts with participating healthcare providers. The form includes an "Email address" field with the text "billy.bob456@gmail.com". Below that is a "Password" field with a masked input (dots) and a toggle icon. This is followed by a "Confirm password" field, also with a masked input and a toggle icon. A checkbox is checked, with the text "I agree to the Login with athenahealth Terms of Use and Privacy Policy". Below the checkbox is a large blue "Create account" button. At the bottom left is a "Help" link.
