#### Sergeant at Arms

**Beatiz Quintana**

#### Parliamentarian/

#### Historian

**TBD**

The purpose of the National Latino Peace Officers Association, Arapahoe County Chapter, is to represent its members and ensure the equal and fair treatment of all Police Officers. We also recognize and support the mission of the National Latino Peace Officers Association, to bridge the gap between the Latino Community and Police/Sheriff Departments. We endeavor to reduce juvenile delinquency through mentoring and directing children to make positive choices and direct them toward careers in Public Safety.
