

**Dear Supporters,**

What a ride we have all been on these past few months! It's great to have a hope that is secured in someone outside the political and healthcare fields right now. We have seen God provide for us in amazing ways through this time and are looking forward to what the remainder of the year will bring. I'm happy to report that the Pregnancy Center and Options Resource Clinic are back up and running with extra safety precautions in place. While we never fully closed our operations, we are pretty much back to normal since May 18th.

As fear over the pandemic was first sweeping through our community in March, we held a diaper/wipe giveaway. The stores were depleted of these essential supplies and we had inventory on our shelves that felt wrong to hoard heading into a shutdown. We were able to bless over 50 families with that event and recruited 7 new clients.

A few weeks ago, we were awarded a grant from the Northeast Michigan Community Foundation from their urgent needs program. We will be using those funds to hold additional diaper/wipe giveaways. It is our hope and prayer that these events bless our community and help spread the word about the center.

Many of you have been wondering about our fundraisers this year. We have cancelled our spring walk and summer golf outing and are substituting a virtual walk in their place. The details are on the back side of this update and we would love your help in making this a success! As for the fall Banquet, our current plan is to move forward with a normal, in-person event in October at the Knights of Columbus Hall just like previous years. We will update our website as changes happen.

# 2020 Virtual Fundraising Walk - Wrapped in His Majesty

The virtual walk will be similar to our traditional walk, right up to the day of the event when the big differences happen. You will use this sheet to record the pledges you collect. You can ask your friends, family, neighbors, Facebook friends, Christmas card list, email contacts... just about anyone to support the center by making a pledge. You don't have to collect any money, just names, contact information, and amount. We will take care of the rest. If someone does give you their donation, just mark their line as "paid" and include their donation when you submit your form.

When you have \$200 in pledges, give the center a call at 989-345-3909 to let us know your shirt size. We have 25 various sizes in stock and will place a final order on July 20th. **So, if you'd like to get a T-shirt for your efforts, please submit your form by July 20th.** That gives you about 3 weeks to hit the \$200 mark to earn your shirt. You don't have to stop there though. The top 5 fundraisers will earn their choice of a hooded sweatshirt with our logo or a \$25 Amazon gift card.

## The "Event"

On **August 1st**, pull out your smart phone at 9:00 a.m. and join me for a live-streamed walk. Feel free to meet up with your friends and walk as a group wherever you choose. Post a picture of yourself in your shirt on Facebook to spread the word about the center even further.

There will be Facebook Live videos on the Center's page every Friday at 3 p.m. from now until the day of the walk to keep you updated and answer any questions you may have.
