through community development"

# AVENUE YOUTH HOUSE

---

## OBJECTIVE

In 2019, we are launching an Unaccompanied Homeless Youth Home in Kansas City, Kansas. In our district there are currently 89 unaccompanied homeless youth. There are no youth shelters in Wyandotte County. We have secured a house in Wyandotte with 18 bedrooms and adequate space to provide wrap-around support for over 30 teenagers. We want to provide a long-term home for youth through graduation and on to career and college. These children do not have a home, and many have never been given the opportunity to dream about what life could look like beyond their current circumstances. With your help we can give homeless youth the opportunity to thrive.
