

WELCOME FROM RHPTA

HAPPY 2022-23 SCHOOL YEAR!

Welcome Parents!

I want to personally thank you all for allowing me to serve another year as RHPTA's President. I am honored and excited for this opportunity to work with Principal Cotton as well as our teachers, staff and parents to provide our children with the best experience at Ridglea Hills Elementary.

Each year we have a school theme that builds morale and sets the tone for the upcoming school year. Last year we took a trip to Camp Mustang where we focused on our school's traditions and heritage while incorporating educational and recreational fun, just like at summer camp. As we step into a new school year, let's focus on school spirit. This will be a time to build and nurture relationships within our RHE community and show that we are proud to be a part of the Mustang family! We are the best, we are the strongest, and that is only because ...

WE ARE RIDGLEA!

The best way to stay informed is by signing up for different email and social media updates, and by visiting/bookmarking our RHPTA website. In addition, please have your FWISD background check completed so that you are able to volunteer when possible. Finally, please join our PTA – your membership helps provide a voice to all of our students. I look forward to what's in store for our great school and community as well as working with you all!
