

Room Parent Interest Form

One way to get involved in your child's classroom is by helping his/her teacher with field trips, parties, and special event days such as Walkathon, Carnival, Feast Day (kindergarten), holiday party, Valentine's party, Fine Arts Day, Field Day and end-of-year party.

If you are interested in helping with room parent activities, please complete and return the form below to your child's teacher.

Contact: Mary Loudermilk, VP of Room Parents, roomparents@rhpta.com

Lead Room Parent

- Communicate with class parents about class parties and special events.
- Attend all classroom parties or coordinate with another parent to attend in your place.
- Coordinate with your child's teacher to help with party planning. Coordinate food, drinks, goodie bags, activities and parent helpers for classroom parties **as directed by my child's homeroom teacher. Some grade levels prefer to work together as a team, so please discuss with your homeroom teacher and the other room parents before you plan anything.**
- Coordinate class parents to help with special events like Walkathon, Carnival, Field Day, and Fine Arts Day.
- If possible, attend field trips as needed (not all grade levels can take parents on field trips).

Room Volunteer

If you are unable to volunteer as Room Parent, there are many ways to assist the Room Parent, including:

- Helping with class parties or special events during the school day
- Donating items like paper plates, napkins, juice boxes, etc. for class parties, if needed.

Please check which role(s) interest you:

_____ I am interested in being the Lead Room Parent for my child's classroom. I understand the role includes the above responsibilities.

_____ I am interested in helping with parties or special events during the school day.

_____ I am interested in donating items for class parties, if needed.
