

What is,

Walkathon?

What Is Walkathon Kick-off? The month of September is filled with all kinds of exciting Walkathon related events and activities. To kick-off the fun, **Tuesday, September 5th**, during morning drop-off, we will have a spirited celebration that you won't want to miss! Students will also be sent home that day with a packet of all the Walkathon-related info you will need to know!

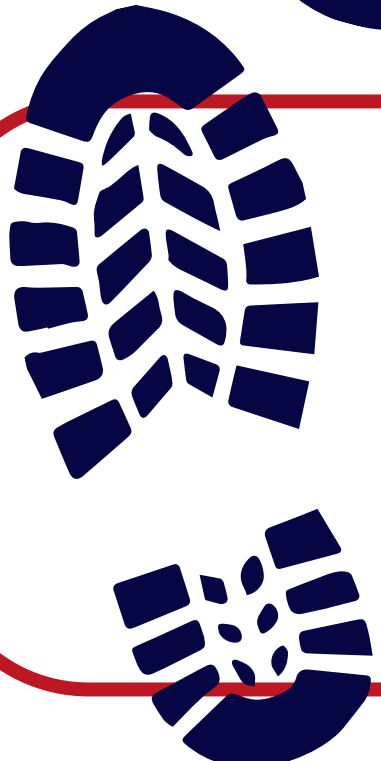

Walkathon is one of the big fundraisers for Ridglea Hills Elementary. The month of September is filled with fun Walkathon activities and opportunities to help raise money for our school. To close out the month, students, teachers, and families will join together to walk a 1.4 mile loop through Ridglea Hills Neighborhood. This has been a favored and loved tradition for years!

How do we make money? All month long there are opportunities big and small to raise money for our school. From spirit stores, to restaurant nights, to asking neighbors and businesses to sign up for a sponsorship - every dime matters! Students and families will invite neighbors, families and friends to join in supporting the mission of Ridglea Hills.

How can you help? Aside from helping raise money, there are numerous opportunities to volunteer to help make this favored tradition happen! From working the spirit store, to manning barricades, to passing out waters, to walking with students - there is a place for you! Keep an eye on our Ridglea Hills PTA Facebook page for volunteer sign-ups!

Where does all the money raised go? Every penny raised is used to help support the education of each of our Mustangs. This fundraiser helps fund the PTA budget for the year. Fine Arts Day, Field Day, AR Store, new playground equipment, and so much more are all possible because of the PTA budget and because of your help!

Join us on **October 5th** at 8:00am
