### Walkathon Day

Walkathon Day is the day we celebrate supporting our school! This year it will look a lot different but the essence of walkathon will still be there. We will celebrate our wonderful teachers, students, families and school – just not all together as a large gathering. PLEASE be respectful that in order for us to even have walkathon this year it has to look different. Please only come at your allotted time. Walk, take pictures and enjoy – safely!

October 30<sup>th</sup> In Person students will walk with their teachers only. No visitors or volunteers.

October 31<sup>st</sup> ALL families and Virtual students are welcome to walk the route. Please maintain social distancing and be careful of traffic.
