

EMBRYO TRANSFER PROGRAM 2025-2026

I, _____ (donor mare owner/authorised agent)
of _____ (address)

consent to the following embryo transfer agreement with Woodgrange Specialist Equine Hospital. I nominate that the following donor mare _____ will be bred to _____

and that the said mare will subsequently undergo recovery and transfer of a single embryo* into a recipient mare and that the donor mare owner/authorised agent agrees to pay promptly all fees and charges related to the said event.

1. The donor mare owner/authorised agent agrees to make separate booking arrangements with the stallion owner and pay all necessary fees to permit the delivery of semen to Woodgrange Specialist Equine Hospital when requested by the veterinarian attending the mare.
2. The donor mare owner/authorised agent agrees to pay all fees up front at time of first scan (excluding recipient mare lease fee of \$4,000.00 which is due following 45 day positive pregnancy scan).
3. The donor mare owner/authorised agent agrees to pay the recipient mare lease fee of \$4,000.00 at the time of the 45 day positive pregnancy scan.
4. *Should twin embryos be flushed from the donor mare an embryo transfer fee will be payable prior to discharge of the donor mare. Should the transfer result in pregnancy in the second recipient mare an additional recipient mare fee will be due on confirmation of 45 day pregnancy.
5. Woodgrange Specialist Equine Hospital does not offer any warranty as to the quality or fertility of semen delivered or supplied.
6. Woodgrange Specialist Equine Hospital does not accept any responsibility for failure of shipments to meet delivery deadlines and thereby compromise insemination schedules. It should be noted that weekend and public holiday consignments are particularly difficult to secure with regional freight companies and any such shipments are taken on risk by the donor mare owner.
7. Woodgrange Specialist Equine Hospital will repeat breed the donor mare as required (in consultation with donor mare owner/authorised agent) to achieve an embryo/pregnancy. This is conditional on the stallion owner supplying sufficient straws for separate breeding opportunities. 8. Woodgrange Specialist Equine Hospital cannot make any live foal guarantees. Pregnancy certificates are offered on confirmation of a normal ultrasonic scanning at 42 days or more.
9. The donor mare owner/authorised agent accepts that per-rectal examination of mares carries a low risk of inadvertent injury such as rectal tears to the mare which may be fatal.
10. Woodgrange Specialist Equine Hospital undertakes to use their best endeavours to take reasonable precautions for the care and safety and storage of the semen but in all other respects the storage of the semen shall be at the sole risk of the owner. Woodgrange Specialist Equine Hospital shall not be responsible or liable to the owner for any loss suffered.
11. Upon a positive 45 day pregnancy scan of the recipient mare, the donor mare owner/authorised agent assumes all care and risk of loss or injury to the recipient mare including but not limited to all veterinary care, farriery care, feeding, dental, worming and agistment.
12. The donor mare owner/authorised agent accepts that some recipient mares may have vices and/or behavioural traits and will take all due care to manage these in the best interest of the animal. Woodgrange Specialist Equine Hospital will disclose all known vices and behaviours with the donor mare owner prior to embryo transfer.
13. The donor mare owner/authorised agent agrees to return the recipient mare six months after the due date with the foal having been weaned. The recipient mare must be returned in acceptable body condition and health as well as hooves trimmed regularly. Photographs will be taken of the recipient mare on discharge to the donor mares owner/authorised agents care. If the recipient mare is returned in unacceptable condition the donor mare owner/authorised agent agrees to pay the fee of \$1,000.00 to cover all costs of returning the recipient mare to health. If the donor mare owner/authorised agent fails to return the recipient mare 6 months after the due date the donor mare owner/authorised agent agrees to pay the fee of \$1,000.00 for failure to return the recipient mare.
14. It is expected that each recipient mare will deliver a live foal (defined for this purpose as able to stand and nurse within 24 hours after birth). If the recipient mare loses the pregnancy after 45 days of gestation the donor mare owner/authorised agent will receive \$1500.00 credit towards future embryo transfer services using Woodgrange Specialist Equine Hospital recipient mares only. The recipient mare must be returned within 10 days after
