

## 2025 Crooked Lake Association Dues Statement

### Mission

*Working Together to Keep Crooked Lake Clean, Unpolluted and in its Natural State*

Crooked Lake Association is a voluntary organization that depends on member support to coordinate and fund important projects that reduce sediment and nutrient runoff as well as other ecological enhancements. These projects range from new installations to the maintenance and rehab of existing sediment control structures.

If you are new to our community or have not held membership in the past, please consider doing so. You will be joining with your neighbors to protect our beautiful lake. It will be one of the best investments you can make.

By using the form below and paying in advance of the Annual Meeting, we can conduct our meeting efficiently.
