1. Introductory letter
2. Non-profit partner application
3. Non-profit partner requirements
4. 2019 Golf outing & non-profit award ceremony
5. 2020 corporate and student preliminary sponsorship forms

Dear Potential Non-Profit Partner,

Venture Global Engineering is a local automotive supplier with plants located in Imlay City, Almont, Sterling Heights and around the world. John Murphy, the president of Venture Global Engineering wanted to make a difference in the community. With the help of a great golf committee, our first golf outing was held in 2014. The success of this first outing established the Venture Global Engineering Foundation. Over the past six years, the support of many local sponsors, businesses and families in the community have allowed us to raise and donate nearly \$2,000,000. The 2020 Charity Golf Outing will be held on July 18, 2020 with a goal of raising over \$500,000.00. We will again be hosting golfers at not one course, but two, the Wyndgate Country Club and the WestWynd golf course.

In past years, we have supported and worked with eager and ambitious non-profit partners, local school organizations, art centers, military organizations, cancer foundations and senior residences. Annually, we search out motivated organizations, who are committed to partnering with us and become a recipient of this great opportunity. Our non-profit partner organizations are expected to sell tee signs, sponsorships, foursomes and volunteer on the day of the golf outing. If your organization is motivated and committed to participate in our charity outing, please fill out and submit the included form. I look forward to any inquiries via email at VGFoundation@outlook.com.

Sincerely,

Christina Muir
Vice President
Venture Global Engineering Foundation

NON PROFIT PARTNER APPLICATION FORM

Due Date of 1/30/2020

Organization/team name and 501 (c) (3) # if applicable:

1. Designated contact person, phone number & email:
2. Provide number of students/individuals/families who will be positively affected by our funding:
3. How will the funding be implemented:
4. Please provide your other funding sources:
5. Your success in this partnership hinges on your ability to sell sponsorships, tee signs and raffle tickets. What resources, connections and community support will ensure a successful outcome for your organization?
6. Please provide a two paragraph essay explaining how your organization will be dedicated to this fundraising event and why you believe your team/organization deserves this incredible opportunity:

Submit form via email to VGFoundation@outlook.com.

**The success of our outing relies on a strong partnership between the Foundation and non-profit partner. The Foundation constantly monitors the fundraising activities of your organization. If your organization is not fulfilling your commitment, it may be replaced by another organization.

NON PROFIT PARTNER REQUIREMENTS

The success of our outing relies on a strong partnership between the Foundation and non-profit partner. If you are chosen, and you follow our established guidelines, this will ensure the best outcome for you our non-profit partner. If you have any questions, please don't hesitate to contact us at the email found below.

1. Attendance by a designated representative at select meetings is mandatory.
2. Accounting requirements: You will need to submit financial updates (i.e. Excel spreadsheet) on raffle/sponsorship the 1st and 3rd Tuesday of every month.
3. We shall need 10 volunteers for the following three meetings: swag bag assembly, golf outing eve, and the day of the golf outing. Attendance is mandatory.
4. A good and consist communication must exist between the non-profit partner and the Foundation as this is essential to a good partnership.
