PROGRAM OVERVIEW

Mission Statement

The Heights (“THCS” or the “Charter School”) is founded on the belief that all children are born with the capacity for excellence. Our goal is to enable students to become self-motivated, competent, life-long learners. We provide students with a rigorous, standards-based program within a small school nurturing environment that incorporates strong family and community ties. To this end, we offer a non-traditional K-8 independent study/hybrid program that offers classes at our Resource Center along with individually designed curriculum and instruction.

Guiding Principles

We believe that learning best occurs when:

- Children are in an environment of supportive relationships.
- Parents, students, and teachers work as an educational team.
- Parents are involved in the educational process and school governance.
- The learning environment is safe and non-judgmental.
- Relationships are based on mutual cooperation and respect.
- Class sizes are small.
- Nurturing educational passion is an integral part of every activity.

Expectations of Students and Parents

- Students will maintain at least a 95% attendance record (based on monthly Independent Study Logs).
- Students will complete at least 90% of their assignments.
- Students in fourth grade and above will maintain at least a 2.0 grade point average (GPA).
- Students and their families will behave in a way that does not disrupt the Resource Center’s environment of learning and respect.

Expectations of Teachers and Staff

The teachers and staff at THCS will:

- Provide strong, engaging instruction within a small school environment.
- Communicate important information via newsletter.
- Work as a partner in your child’s education through direct communication with primary teachers or upper grade case load managers. Primary teachers and case load managers conference with parents in person or electronically, supplying updates on the progress students are making toward their learning goals.
- Provide a physically and emotionally safe learning environment.
- Respond to and resolve conflict professionally and appropriately.

STUDENT EXPECTATIONS

95% Attendance

Attendance Expectation: THCS encourages that a student maintains at least a 95% attendance record. This statistic will be determined by the monthly Independent Study Logs that parents are required to sign at the end of every reporting period. Extenuating circumstances for absences will be evaluated by the Executive Director of the school. Examples of extenuating circumstances include, but are not limited to: prolonged illness (as documented by a letter from a doctor), a disruptive emergency within the family, and other reasons listed in California Education Code section 48205.

Family Vacations and Absences: Because THCS is an independent study charter school, families have more flexibility in planning and taking trips that may enrich a student's educational program. However, students are required to maintain progress toward their educational goals during family vacations/absences. *If a student is a regular attendee of classes at the Resource Center, parents are required to request learning materials to be completed during the vacation or absence at least one week in advance of the student's last day of regular attendance. The request must be emailed to the main office or the student's caseload teacher.* Again, students are required to fulfill all work due or assigned during the vacation or absence.

Students and families who do not meet these basic attendance expectations will have a Parent/Student/Teacher/Case Load Manager conference. An action plan will be developed to assist and support the student so the student can improve his or her attendance. If the student fails to comply with these requirements for attendance, the student will be assessed by the Executive Director and teachers to determine whether an independent study program is the student's best educational choice and in accordance with the Charter School's involuntary removal procedures as outlined below.

Assignment Completion

A child's free time should not solely be filled with school assignments. We encourage and promote outside enrichment activities such as sports, service clubs, and various other activities. However, class time at the Resource Center needs to be maximized. It is expected that certain assignments such as (but not limited to) essay drafts, literature reading, and math practice should be completed independent of teachers. Students who haven't completed work prior to the assigned date slow the momentum of the class. Because of this, THCS encourages students to complete at least 90% of all assignments. Note that there are numerous after school tutoring opportunities and Homework Lab periods built into our students' weekly schedule. *Though the staff at THCS assists, it is the family's responsibility to make sure the student completes assignments and turns them in on the due dates.*

Students and families who do not meet these basic assignment completion expectations will have a Parent/Student/Teacher/Case Load Manager conference. An action plan will be developed to assist and support the student so that the student can improve their assignment completion. If the student fails to comply with the requirements for assignment completion as specified in the independent study policy and master agreement, the student will be assessed by the Executive Director and teachers to determine whether an independent study program is the student's best educational choice and in accordance with the School's involuntary removal policy.

Grade Point Average

Students in fourth grade through eighth grade must maintain an overall GPA of 2.0 or higher each semester.

Students who miss more than two (2) assignments in a period of fourteen (14) school days as indicated on the Independent Study Policy and Master Agreement contract will have a Parent/Student/Teacher/Case Load Manager conference. An action plan will be developed to assist and support the student so that the student can improve their GPA. If the student fails to comply with the terms of the Independent Study Policy and Master Agreement, the student will be assessed by the Executive Director and teachers to determine whether an independent study program is the student's best educational interest.

Appropriate Behavior

THCS is an independent study charter. The opportunity to attend non-mandatory enrichment classes at our Resource Center is a privilege. If a student is extreme or consistent in disruptions to the teaching and learning environment at the Resource Center, the Executive Director will recommend the student transition to a completely independent study model. The student will be referred for action consistent with THCS's student discipline policies and procedures.

THCS maintains rules and expectations to fulfill the following goals:

1. Maintain orderly operations.
2. Maintain optimal learning opportunities for students. Resource Center facilities must be free of behaviors that interfere with teaching and learning.
3. Help students develop skills and behaviors necessary for healthy social interaction, both present and future.
4. Help students learn how their decisions affect the quality of their lives and others.
5. Help students develop responsibility and character.

The Heights Charter Rules

Treat others with the same respect with which you are treated by the adults at THCS.

Your actions, dress, possessions, etc. may not compromise the safety of others or be disruptive and/or distracting to the educational environment at THCS. **Please label clothing and personal items with your child's name.** This is very important in being able to return lost items to your child.

Students are permitted to wear traditional tribal regalia or recognized objects of religious or cultural significance as an adornment at school graduation ceremonies as long as it does not cause a substantial disruption of the ceremony.

Prohibited actions include, but are not limited to:

- Disrupting teaching or learning environments
- Unapproved cell phone use
- Profanity or vulgarity
- Plagiarizing or cheating
- Wearing any prohibited article of clothing or bringing any prohibited item to the Resource Center
- Discrimination, harassment, or bullying of other students or staff
- Any action constituting grounds for suspension or expulsion
- Any other violations of THCS policy, rules, or regulations

Prohibited clothing accessories, and items include, but are not limited to:

- Clothing that is see-through, suggestive, or revealing without appropriate undergarments.
- Tops or dresses that are low-cut or have shoulder straps less than 1" wide; off the shoulder tops or dresses are not allowed.
- Tops that expose the midriff, halter tops, or tube tops. Tops that are low cut in the front, back or side will not be allowed.
- Shorts, skirts, or dresses (without opaque leggings) that are shorter than mid-thigh. No excessively short shorts, skirts or dresses will be allowed.
- Clothing or accessories that 1) display profanity, vulgarity, nudity, put-downs, offensive, discriminatory or libelous images or language; 2) promote violence; 3) promote drug, alcohol, or tobacco use; and/or 4) are unsafe or, including wallet chains or any oversize chains.
- Sagging pants will not be allowed. Pants should be worn at waist level and fastened securely with a button, snap, zipper, or belt.
- Pants that are too long, worn too low, too large, or too loose are not permitted.
- Inappropriate shoes for Physical Education (P.E.) Close-toed, athletic shoes must be worn for P.E.
- Toys or items from home that are distracting to the teaching or learning environment.

A student's violation of any of these rules will result in consequences. The consequence imposed will depend on factors including, but not limited to the nature of the infraction and the student's discipline history. A student may request a meeting with the Executive Director to discuss any consequence imposed on them.

Parent Volunteering

While The Heights Charter ("THCS") encourages parents/guardians and interested members of the community to visit the Resource Center and view the educational program, THCS also endeavors to

create a safe environment for students and staff. Additionally, parents volunteering in the Resource Center can be extremely helpful to our teachers and valuable to our students.

Nevertheless, to ensure the safety of students and staff as well as to minimize interruption of the instructional program, THCS has established procedures to facilitate volunteering and visitations during regular school days.

Volunteering must be arranged with the teacher and Director or designee, at least twenty-four (24) hours in advance. Volunteering must coincide with the teacher's schedule and actual classroom needs.

A volunteer shall also have on file with THCS a certificate showing that the person submitted to a tuberculosis risk assessment and if tuberculosis risk factors were identified, was examined and found to be free of infectious tuberculosis. If no risk factors are identified, an examination is not required.

Computer Use Policy

Computers will be used at THCS to complete appropriate educational tasks (research, reading practice, spelling tests, learning games, word processing, art, assessments, etc.). The technological resources provided by THCS must be used in a safe, responsible, and proper manner in support of the THCS instructional program and for the advancement of student learning. Students are prohibited from using THCS computers or THCS technology in a way that may damage the equipment or network (such as downloading viruses, etc.), distract from the teaching and learning environments or violate the law or THCS policy, rules or regulations. Before a student is authorized to use the THCS's technological resources, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement specifying user obligations and responsibilities. This agreement is included with the first day packet of registration forms.

Students will be held responsible for their conduct on school computers. THCS staff will guide students toward appropriate materials and supervise students while they are using online services at THCS. THCS computers have student filters loaded; however, if a student wants to open a site that might be questionable, they must ask permission from the supervising teacher. While THCS is able to exercise reasonable control over content created and purchased by THCS, it has limited control over content accessed via the internet and no filtering system is 100% effective. Neither THCS nor its staff shall be responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes or negligence.

Students shall not use the internet to perform any illegal act or to help others perform illegal acts. Illegal acts include, but are not limited to, any activities in violation of local, state, and federal law and/or accessing information designed to further criminal or dangerous activities. Such information includes, but is not limited to information that if acted upon could cause damage, present a danger, or cause disruption to THCS, other students, or the community. Damaging, debilitating or disabling computers, computer networks or systems through the intentional or overuse of electronic distribution or the spreading of computer viruses or other harmful programs are prohibited. Any unauthorized online access to other computers by means of hacking into other computers, downloading hacker tools such as port scanners, and password crackers, designed to evade restrictions are also strictly prohibited.

Other actions that are forbidden to students while using THCS technology include, but are not limited to: downloading files or music programs; sending personal emails, instant messages, or using chat rooms or applications; accessing internet game sites without teacher permission; accessing offensive sites, messages, or images; using obscene or defamatory language; harassing, insulting, or attacking others; and trespassing in others' folders, work, or files. Students who violate this policy may have their computer privileges limited and may be subject to discipline.

Cell Phone and Other Electronic Signaling Devices Policy

Student cell phones and other electronic signaling devices should be turned off and out-of-sight in backpacks during the school day (unless given approval to complete a classroom task by a teacher and

under supervision). If you need to call home, you may use the school phone with permission from THCS staff.

Private devices may be used:

- In the case of an emergency, or in response to a perceived threat of danger.
- When a teacher or administrator of the Charter School grants permission to a student to possess or use a private device, subject to any reasonable limitation imposed by that teacher or administrator.
- When a licensed physician and surgeon determine that the possession or use of a private device is necessary for the health or well-being of the student.
- When the possession or use of a private device is required in a student's Individualized Education Plan ("IEP").
- At the Resource Center to briefly talk or text with their parents/guardians after being dismissed at the end of the school day, but this privilege may be revoked if a student abuses it or otherwise violates this policy.

Students who use their cell phones or other personal electronic signaling devices without permission during the school day will have to surrender the device for the rest of the school day. Parents can pick up the device at the end of the day in the office. At no time shall THCS be responsible for preventing theft, or loss or damage to cell phones or other electronic signaling devices brought onto campus.

Resource Center Search and Seizure

The Charter School recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or THCS rules and regulations, jeopardizes the health, safety and welfare of students and THCS employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, THCS has adopted a policy outlining the reasonable search of students and their property, student use areas, and/or student lockers and the seizure of illegal, unsafe, unauthorized or contraband items and materials through a search based upon reasonable suspicion.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An emergency is any *situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device*. If the Charter School has a good faith belief that the device is lost, stolen, or abandoned, the Charter School may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

The Charter School is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of THCS rules or regulations.

Lost or Damaged School Property

If a student willfully damages the Charter School's property or the personal property of a THCS employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, the Charter School may withhold the student's grades, transcripts, until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades will be released.

PARENT RESPONSIBILITIES

Operational Expectations

To maintain orderly operations and a safe campus, the staff of THCS has the following parental expectations:

- Work with the THCS team to ensure your student maintains 95% attendance, 90% assignment completion, a minimum 2.0 GPA (for 4th or 8th grades), and is not a disruption to the teaching or learning environment.
- Read the THCS Newsletter for important updates, announcements, and important calendar information. Nearly all answers to parent questions can be found within the newsletters.
- Read all THCS emails and answer all THCS telephone calls.
- Keep all contact information for yourself and your emergency contacts up to date.
- Honor the Resource Center's policy of **dropping off students no earlier than 8:30 a.m.** and **picking up no later than 3:30 p.m.** We understand that emergencies arise. Please communicate with THCS at 619-792-9000 if alternate arrangements need to be made.
- If picking up a student before the end of the day, please check out the student in the Resource Center's main office before pulling your child from his or her classroom. For safety/emergency purposes, it is critical the main office of the Resource Center know exactly which students are on campus at any given moment.
- If arriving more than 20 minutes late to a class at the Resource Center or returning a student following an appointment (doctor, dentist, etc.), please check in your student with the main office. **DO NOT DROP OFF** the student at his or her classroom. For safety/emergency purposes, it is critical the main office of the Resource Center know exactly which students are on campus at any given moment.
- Do not call your student's cell phone during the school day. Our expectation is that student cell phones are turned off and out of sight in their backpacks. If you need to speak to your child, please contact the Resource Center's main office at 619-792-9000. Students may accept brief parent calls while at the Resource Center after they have been dismissed for the day.
- Do not send toys, games, distracting pencil boxes, or other prohibited items to school with your child specifically approved by a teacher.
- Proceed at student drop off and pick up safely, quickly, and efficiently. Teacher conferences during this chaotic time are discouraged and not appropriate.
- Volunteering is encouraged. There are always tasks at hand. Scan the newsletter for specific needs. Please note: If you volunteer in your student's classroom, it is our expectation that you are helpful to all students and not just your own. Please see the THCS School Visitation and Volunteer policy for more information.
- When on the grounds of the Resource Center, parents (as well as staff) should act as role models for student behavior. Profanity, gossiping, tobacco use, alcohol or drug use, and weapons are prohibited.

Communication Policy

To maintain our partnership in your student's education, it is THCS policy to communicate often with parents. The best source of general information is our emailed newsletter. If you have specific questions about your primary level child (TK-3rd grade), your child's teacher is the best contact. If you have specific questions about your upper-level child (4th – 8th grades), your child's case load manager is a good starting point. All teachers may be contacted via email using the general school email – heightscharter@gmail.com. If you would like a meeting with a specific teacher or case load manager (or both), please email in advance to set up a meeting time. While all teachers try to be accommodating, pop-in meetings are not always workable due to time constraints or scheduling conflicts.

THE HEIGHTS CHARTER ANNUAL NOTICES

Nondiscrimination Statement

THCS does not discriminate against any person on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, pregnancy, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

THCS adheres to all provisions of federal law related to students with disabilities, including but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act (ADA) of 1990, and the Individuals with Disabilities Education Improvement Act (IDEIA) of 2004.

The Charter School does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. THCS shall not encourage a student currently attending Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the Charter School's charter and relevant policies.

The Charter School does not request nor require student records prior to a student's enrollment.

The Charter School shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

THCS is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination in Employment Act of 1967; The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). THCS also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. THCS does not condone or tolerate harassment of any type, including discrimination, intimidation or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which THCS does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. THCS will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the THCS Uniform Complaint Procedures (UCP) Compliance Officer:

Diana Whyte, Executive Director
The Heights Charter
P.O. Box 969, Alpine, CA 91903-0969
Telephone 619-792-9000

The lack of English language skills will not be a barrier to admission or participation in THCS's programs or activities. THCS prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

Conflict Resolution Policy

Conflict may arise from time to time. The best course of action if this occurs is to contact the teacher directly. Most conflicts are created by miscommunication, so an open dialogue resolves most issues. We

encourage you to schedule a meeting with the teacher as soon as possible, so the conflict does not escalate with time.

If this does not resolve the issue, please set up a meeting with the Executive Director.

If that still does not resolve the conflict, you may seek resolution from the THCS Board which meets most months. The Board's resolution of the conflict is final.

If you have a conflict with the Executive Director, the first step is to contact the Executive Director. If this does not resolve the conflict, the final step is to take the matter to the THCS Board. Their resolution of the conflict is final.

The THCS Newsletter and the THCS website lists the dates and times of upcoming Board meetings.

Note: Using physical or verbal aggression against another child or adult, including profanity or abusive language or non-verbal intimidation is prohibited. Depending on the severity, local law enforcement may be contacted. These actions will be reported to the Director and consequences will follow all applicable laws, regulations and ordinances.

Comprehensive Sexual Health Education

Pursuant to Education Code Sections 51938 and 51939, commencing with the 2019-2020 school year, charter schools must ensure that all pupils in grades 7 to 8, inclusive, receive comprehensive sexual health education and HIV prevention education. A parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (opt-out) process. THCS does not require active parental consent (opt-in) for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation comprehensive sexual health education and HIV prevention education in writing to THCS.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by THCS personnel or outside consultants. When THCS chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
 - The date of the instruction
 - The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure student's health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grade 7. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks, if the Charter School has received a written request from the student's parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Surveys About Personal Beliefs

Unless the student's parent/guardian gives written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student's, or the student's parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

Child Find – Special Education – Students with Disabilities

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. THCS provides special education instruction and related services in accordance with the Individuals with Disabilities Education Improvement Act (IDEA), Education Code requirements, and applicable policies and procedures of the El Dorado SELPA. These services are available for special education students enrolled at THCS. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. THCS collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, THCS is responsible for identifying, locating, and evaluating children enrolled at THCS with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth.

THCS shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact Kimberly Koenig, Psychologist/Special Education Teacher at 619-792-9000.

School Safety Plan

THCS has established a School Safety Plan. The Plan is available upon request at the main office and is posted on the school website.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. THCS believes it is a priority to inform our students about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, THCS will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available at the main office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on the THCS website for your review.

Section 504

THCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of THCS. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by THCS. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Executive Director. A copy of the Charter School's Section 504 policies and procedures is available upon request at the main office.

Immunizations

To ensure a safe learning environment for all students, THCS follows and abides by the health standards set forth by the state of California. Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming students. The immunization status of all students will be reviewed periodically. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. Those students who are not in compliance with the State /requirements must be excluded from until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of THCS.

These required immunizations include:

Physical Examinations and Right to Refuse

Students will be screened for vision and hearing. The Heights Charter will adhere to Education Code Section 49450, et seq, as applicable to the grade levels served by THCS.

All students must complete a health screening examination on or before the 90th day after the pupil's entrance into first grade or such pupils must have obtained a waiver pursuant to Health and Safety Code

Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to pupils enrolled in kindergarten. If your child's medical status changes, please provide the teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent or guardian may file annually with the Executive Director a statement in writing, signed by the parent or guardian, stating that they will not consent to a physical examination of their child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, he or she shall be sent home and shall not be permitted to return until THCS is satisfied that any contagious or infectious disease does not exist.

Oral Health Assessment

Students enrolled in kindergarten in a public school or while enrolled in first grade if the student was not previously enrolled in kindergarten in a public school, are required to have an oral health assessment completed by a dental professional. Please contact the office if you have any questions about this requirement.

California Assessment of Student Performance and Progress (CAASPP)

THCS shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress). Notwithstanding any other provision of law, a parent's or guardian's written request to THCS officials to excuse his or her child from any or all parts of the CAASPP shall be granted. Upon request, parents have a right to information on the level of achievement of their student on every State academic assessment administered to the student.

Pregnant and Parenting Students

The Charter School recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. The Charter School will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting student may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the student to be able to complete any graduation requirements, unless the Charter School determines that the student is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the student's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Diana Whyte, Executive Director
The Heights Charter
P.O. Box 969, Alpine, CA 91903-0969
Telephone 619-792-9000

A copy of the UCP is available upon request at the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Director.

English Learners

THCS is committed to the success of its English Learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. THCS will meet all applicable legal requirements for English Learners as they pertain to annual notification to parents, student identification, placement, program options, English Learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. THCS will implement policies to assure proper placement, evaluation, and communication regarding English Learners and the rights of students and parents.

Free and Reduced Price Meals

Pursuant to California Law, THCS will provide each student who meets federal eligibility criteria for free or reduced-price meals with at least one free or reduced price, nutritionally adequate meal per school day. Applications for free or reduced-price meals are included in the first day packets to all families and can also be obtained in the main office. All families are encouraged to complete the application form in order to include as many eligible students as possible. Completed application forms can be returned to the main office.

Involuntary Removal Process

No student shall be involuntarily removed by THCS for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) school days before the effective date of the action (Involuntary Removal Notice). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with THCS's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until THCS issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to THCS's suspension and expulsion policy.

Upon parent/guardian request for a hearing, THCS will provide notice of hearing consistent with the expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of THCS's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent THCS from making a similar recommendation in the future should student truancy continue or re-occur.

Pupil Records, Including Challenges and Directory Information

The Family Educational Rights and Privacy Act (FERPA), affords parents and students who are 18 years of age or older (eligible students) certain rights with respect to the student's education records. These rights are:

1. **The right to inspect and review the student's education records within five (5) business days after the day THCS receives a request for access.** Parents or eligible students should submit to the THCS Director or designee a written request that identifies the records they wish to inspect. The THCS official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. **The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.** Parents or eligible students who wish to ask THCS to amend a record should write the THCS Director or designee, clearly identify the part of the record they want changed and specify why it should be changed. If THCS decides not to amend the record as requested by the parent or eligible student, THCS will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If THCS decides to amend the record as requested by the parent or eligible student, the Executive Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.
3. **The right to provide written consent before THCS discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.** One exception, which permits disclosure without consent, is disclosure to THCS officials with legitimate educational interests. A THCS official is a person employed by THCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A THCS official also may include a volunteer, consultant, vendor, or contractor outside of THCS who performs an institutional service or function for which THCS would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another THCS official in performing his or her tasks. A THCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, THCS discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. Note that THCS will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.
4. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by THCS to comply with the requirements of FERPA.** The name and address of the office that administers FERPA are: Student Privacy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW Washington, DC 20202.
5. **The right to request that THCS not release student names, addresses, and telephone listings to military recruiters or institutions of higher education without prior written parental consent.**

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to THCS officials, disclosures related to some judicial orders or lawfully issued

subpoenas, disclosures of directory information, and disclosures to the parent or eligible student §99.32 of the FERPA regulations requires THCS to record the disclosure. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the pupil intends to enroll. Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at his/her last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing;

"Currently Migratory Child" includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
5. "Pupil participating in a newcomer program" means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as "Foster and Mobile Youth." Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a "parent."

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When

partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency (“LEA”), the Charter School shall provide these student records within two (2) business days. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School’s Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

The possibility of suicide and suicidal ideation requires vigilant attention from our school staff. As a result, we are ethically and legally responsible for providing an appropriate and timely response in preventing suicidal ideation, attempts, and deaths. We also must work to create a safe and nurturing campus that minimizes suicidal ideation in students.

THCS's suicide prevention policy can be requested for review in the main office and is available on the school website.

Diana Whyte, Executive Director
The Heights Charter
P.O. Box 969, Alpine, CA 91903-0969

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which Charter School’s Board of Directors approved the LCAP or the annual update was adopted by Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with Charter School’s UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report (“Decision”) within sixty (60) calendar days from Charter School’s receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal THCS’s Decision to the California Department of Education (“CDE”) by filing a written appeal within thirty (30) calendar days of the date of the Charter School’s written Decision, except if Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with THCS, a copy of THCS’s Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, THCS’s Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in THCS’s Decision are not supported by substantial evidence.
4. The legal conclusion in THCS’s Decision is inconsistent with the law.
5. In a case in which THCS’s Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, THCS shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of THCS's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 CCR § 4622.

A copy of the UCP shall be available upon request free of charge in the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Executive Director.

THE HEIGHTS CHARTER BOARD POLICIES

Interactions Between Staff and Students

The Heights Charter recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

- A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
 2. Preventing a pupil from committing an act of vandalism;
 3. Defending yourself from physical injury or assault by a student;
 4. Forcing a pupil to give up a weapon or dangerous object;
 5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
 6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
- B. Examples of PROHIBITED actions (corporal punishment)
1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
 3. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all Charter School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.

Title IX, Harassment, Intimidation, Discrimination and Bullying Policy

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, The Heights Charter ("Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, the Charter School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. The Heights Charter school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, the Charter School will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom The Heights Charter does business, or any other individual, student, or volunteer. This Policy applies to all employees, students, or volunteer actions and relationships, regardless of position or gender. The Heights Charter will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. The Heights Charter complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

Bullying and Cyberbullying Prevention Procedures

The Heights Charter has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

The Heights Charter advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

The Heights Charter informs Charter School employees, students, and parents/guardians of The Heights Charter’s policies regarding the use of technology in and out of the classroom. The Heights Charter encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

The Heights Charter employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening.

The Heights Charter advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at The Heights Charter and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

The Heights Charter's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

The Heights Charter informs The Heights Charter employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

The Heights Charter annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other the Heights Charter employees who have regular interaction with students.

- c. The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, The Heights Charter will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Diana Whyte, Executive Director
The Heights Charter
P.O. Box 969, Alpine CA 91903
dwhyte@heightscharter.com; 619-729-9000

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. The Heights Charter will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Executive Director, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

The Heights Charter acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

The Heights Charter prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false

statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to The Heights Charter's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or The Heights Charter's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The Heights Charter will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of The Heights Charter to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of The Heights Charter, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- **Notice of the Allegations**
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;

- A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that The Heights Charter prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
 - The Heights Charter may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with The Heights Charter's policies.
 - The Heights Charter may remove a respondent from the Heights Charter's education program or activity on an emergency basis, in accordance with The Heights Charter's policies, provided that The Heights Charter undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
 - This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
 - If a formal complaint of sexual harassment is filed, The Heights Charter may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If The Heights Charter offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.
 - The Heights Charter will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- Investigation Process
 - The decision-maker will not be the same person(s) as the Coordinator or the investigator. The Heights Charter shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
 - In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
 - The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
 - The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.

- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, The Heights Charter will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - If the investigation reveals that the alleged harassment did not occur in The Heights Charter's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable The Heights Charter policy.
 - The Heights Charter may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at The Heights Charter; or
 - The specific circumstances prevent The Heights Charter from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
 - If a formal complaint of sexual harassment or any of the claims therein are dismissed, The Heights Charter will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
- Determination of Responsibility
 - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
 - The Heights Charter will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - The findings of facts supporting the determination;
 - The conclusions about the application of The Heights Charter's code of conduct to the facts;
 - The decision and rationale for each allegation;
 - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from The Heights Charter or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by The Heights Charter in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find The Heights Charter's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of The Heights Charter's decision or resolution, submit a written appeal to the President of The Heights Charter Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and The Heights Charter will implement appeal procedures equally for both parties.
- The Heights Charter will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

The Heights Charter will maintain the following records for at least seven (7) years:

Suspension and Expulsion Policy

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and wellbeing of all students at The Heights Charter. In creating this policy, The Heights Charter has reviewed Education Code Section 48900 et seq. which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 et seq. The Heights Charter School is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as The Heights Charter's policy and procedures for student suspension and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. THCS staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

The Heights Charter administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy and Procedures are available on request at the Director's office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom The Heights Charter has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. The Heights Charter will follow all applicable federal and state laws including but not limited to the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom THCS has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Director or the Director's designee with the student and his or her parent and, whenever practical, the teacher, supervisor or The Heights Charter employee who referred the student to the Director or designee.

The conference may be omitted if the Director or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or The Heights Charter personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with The Heights Charter officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If The Heights Charter officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Director or Director's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference.

This determination will be made by the Director or designee upon either of the following: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

D. Authority to Expel

A student may be expelled either by The Heights Charter Board of Directors following a hearing before it or by The Heights Charter upon the recommendation of an Administrative Panel to be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and neither a teacher of the pupil or a Board member of the Charter School's governing board. The

Administrative Panel may recommend expulsion of any student found to have committed an expellable offense.

E. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Director or designee determines that the pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Heights Charter may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. The Heights Charter must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.

3. At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, The Heights Charter must present evidence that the witness' presence is both desired by the witness and will be helpful to The Heights Charter. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the

evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Board is final.

If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to their educational program.

I. Written Notice to Expel

The Director or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: a) Notice of the specific offense committed by the student; and b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with The Heights Charter.

The Director or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: a) The student's name; and b) The specific expellable offense committed by the student.

J. Disciplinary Records

The Heights Charter shall maintain records of all student suspensions and expulsions at The Heights Charter. Such records shall be made available to the authorizer upon request.

K. No Right to Appeal

The pupil shall have no right of appeal from expulsion from The Heights Charter as The Heights Charter Board's decision to expel shall be final.

L. Expelled Pupils/Alternative Education

Pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Heights Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. Rehabilitation Plans

Students who are expelled from The Heights Charter shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to The Heights Charter for readmission.

N. Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board following a meeting with the Director or designee and the pupil and parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Director or designee shall make a recommendation to the Board following the meeting regarding their determination. The Board shall then make a final decision regarding readmission during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission.

O. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

1. Notification of District

The Charter School shall immediately notify the District and coordinate the procedures in this policy with the District of the discipline of any student with a disability or student who the Charter School or District would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or

b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;

b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and

c. Return the child to the placement from which the child was removed, unless the parent and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 USC Section 1415(k), or until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and the Charter School agree otherwise.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by- case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Director or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

a. Carries or possesses a weapon, as defined in 18 USC 930, to or at school, on school premises, or to or at a school function;

b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or

c. Has inflicted serious bodily injury, as defined by 20 USC 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted

under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however, the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.
