Inquiries About Social Security Numbers or Cards

The Heights Charter shall not solicit or collect entire Social Security numbers or cards.

The school shall solicit and collect the last four digits of an adult household member's Social Security number only if required to establish eligibility for federal benefit programs.

When collecting the last four digits of an adult household member's Social Security number to establish eligibility for a federal benefit program, the school shall explain the limited purpose for which this information is collected and clarify that a failure to provide this information will not bar the student from enrolling in or attending the school.

The Heights Charter shall treat all students equitably in the receipt of all school services, including, but not limited to, the gathering of student and family information for the free and reduced lunch program, transportation, and educational instruction.
