Introduction

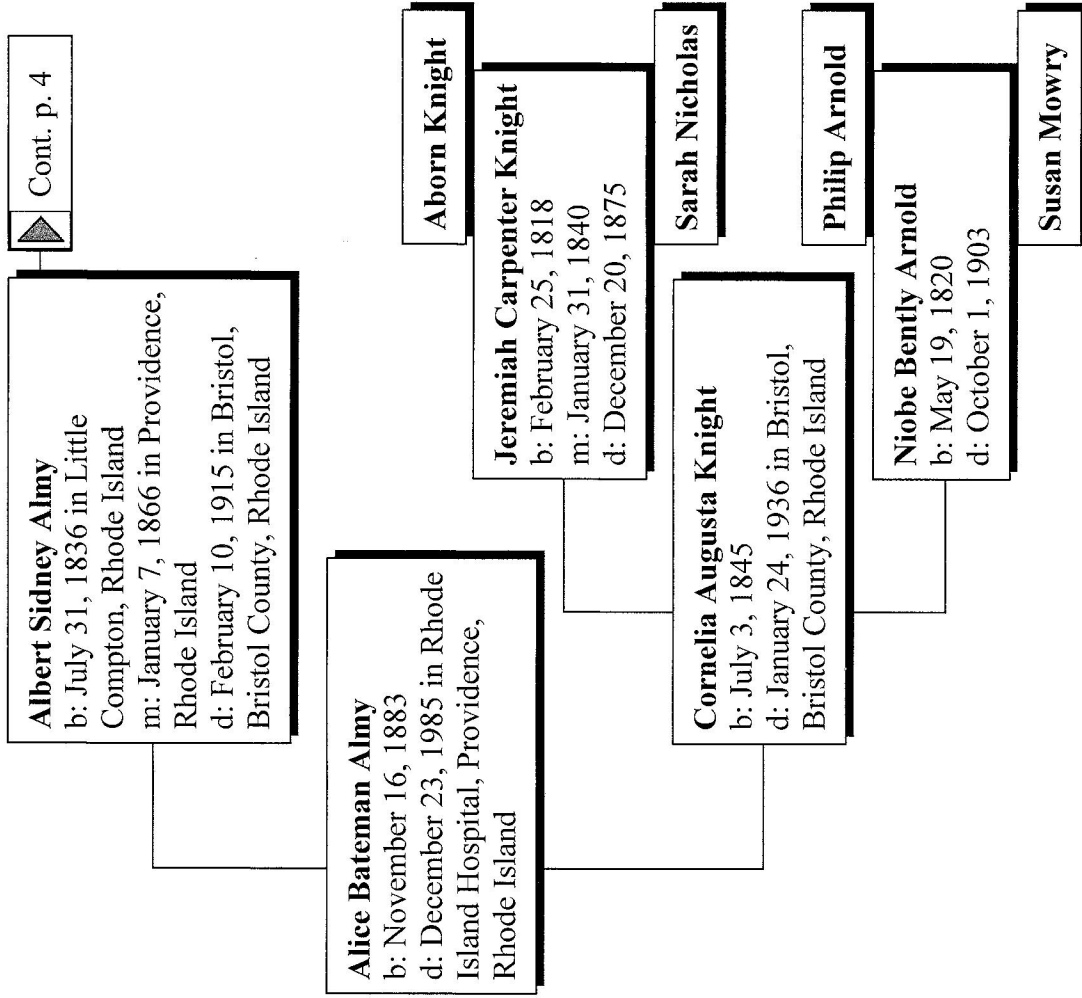

Alice Bateman Almy was born in Bristol, Bristol County, Rhode Island, on November 16, 1883. She was the second daughter of Albert Sidney Almy and his wife, Cornelia Augusta (Knight) Almy. Alice was a lifelong resident of Bristol and lived on Smith Street, then for many years at 21 Constitution Street, and lastly at Silver Creek Manor.

Alice graduated from Miss Moss's private school in Bristol. She worked with the Daughters of the American Revolution, the Children of the American Revolution, the Bristol Historical & Preservation Society, and many other such groups for most of her life.

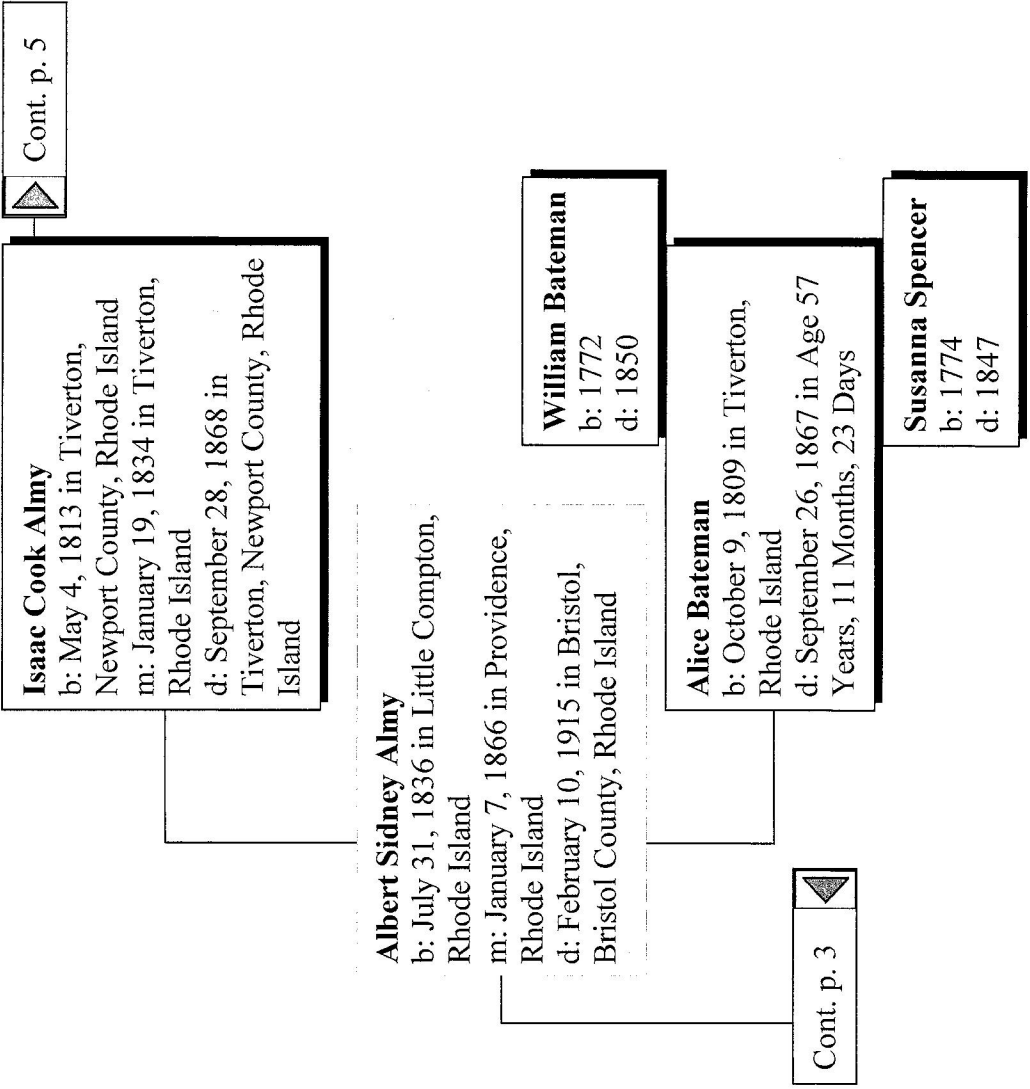

For 37 years, Alice B. Almy devoted an extraordinary amount of time and energy towards the Bristol Historical Society. She served it in many capacities - as Chairman of the North Burial Grounds Committee; Chairman of the Location of Old Houses Committee; Publicity Committee; Chairman of the Burnside Memorial Hall and Exhibit Committee; Vice President for five years; President for three years; member of the Board for 37 years; and Curator-Librarian for 29 years. She also was the resident expert on genealogy. The present stature and success of the Society's Museum-Library is due in large measure to Alice's encyclopedic knowledge of the Town's History and to her unflagging interest and work for nearly 4 decades.

On her 100th Birthday, when asked about her interest in history, Alice replied, "I come naturally by it, I guess." Her family tree includes four governors of Colonial Rhode Island, (Coddington, Sanford, Clarke and Green). Alice was also a descendant of Anne Hutchinson.
