ENGINEERING SOLUTIONS REDEFINED

ABOUT US

Enthalpy Solutions Pvt. Ltd. was incorporated in the year 2015 with focus on HVAC industry. It started its operations in 2016 in the field of manufacturing GI Ducting for HVAC Industry after purchasing a 2850 Sq. meter duct factory at Greater Noida with state of art imported machines from England & Switzerland. In 2019, Enthalpy Solutions Pvt. Ltd. expanded its operations in the field of MEP Contracting, Operation & Maintenance Services. We are fully equipped to undertake the projects in HVAC, Electrical, Plumbing, Fire Fighting & ELV fields. We are authorised Channel Partner of M/s Daikin for their VRV System. We have in house team of Engineers & Technicians for design, installation, testing & commissioning of VRV Systems.

Pillars of **STRENGTH**
