## ABOUT US

Enthalpy Solutions Pvt. Ltd. was incorporated in the year 2015 with focus on HVAC industry. It started its operations in 2016 in the field of manufacturing GI Ducting for HVAC Industry after purchasing a 2850 Sq. meter duct factory at Greater Noida with state of art imported machines from England & Switzerland. It has been manufacturing and supplying GI ducting since then.

Enthalpy Solutions Pvt. Ltd. is sister concern of M/S Solid Material Conveying System, a reputed name in Ash Handling Equipment Manufacturing, Contracting, O&M Services having a manufacturing facility covering 4200 sq. Meter area in Greater Noida with all inbuilt facility and infra structure for machining, heavy fabrication, EOT cranes, Generator etc.

In 2019, Enthalpy Solutions Pvt. Ltd. expanded its operations in the field of MEP Contracting, Operation & Maintenance Services. We are fully equipped to undertake the projects in HVAC, Electrical, Plumbing, Fire Fighting & ELV fields.

## Pillars *Of* **STRENGTH**

### VISION

Providing efficient, intelligent & cost effective solutions to its valued Customers.

### MISSION

We seek to be preferred partner in providing Engineering solutions with an enduring commitment to quality and thus achieving utmost customer satisfaction.

### VALUES

**Adaptability, Strong Customer Focus, Quality, Team Effort**

### QUALITY POLICY

We keep Quality as the most important aspect of our culture and working methodology. Quality Policy is considered as a means of leading the Organisation's performance, improvement and excellence. All our work-process and procedures are well documented.

### SAFETY POLICY

Safety is an integral part of all works taken up by us. It is culture injected in every employee from the day of his joining the organisation. We believe and practice "ZERO TOLERANCE"
