SMALL BUSINESS

SATURDAY

Remember to support your local businesses this holiday season. Our local businesses are generous in supporting community events and fundraisers. Businesses need the same support of the community to remain viable. Also, a portion of all money spent in Reinbeck is returned to Reinbeck, and shopping locally is good for our town. It's a win-win situation! Shop on Small Business Saturday, November 29th in Reinbeck!

CITYWIDE JUNK CLEAN UP DAY

The City Wide Cleanup Day has been set for **Saturday, October 11th** with a rain date of October 18th. All junk items can be disposed of, **free of charge**, by taking it to Cooley Sanitation at 307 Main Street from 8:00 a.m. – noon. No tires, liquids, yard waste, garbage, batteries or construction project materials will be accepted. White goods, such as washers, dryers, A/C's, stoves, refrigerators, freezers, water heaters, water softeners, dehumidifiers, furnaces, dish washers, light ballasts, microwaves, and humidifiers, will require a disposal fee of \$20 per unit. Monitors, printers, and copiers will require a \$5 disposal fee. If you are unable to get your junk items to Cooley's, they will pick your items up for a fee of \$40 per truck load as long as they are placed outside of the house. This is a great time to get rid of unsightly junk that may have accumulated around our homes or back yards. City officials and residents really do appreciate you taking pride in your neighborhood. Please utilize this service to help ensure that the city is maintained in a clean, healthy, safe and attractive condition. Thank you in advance for your participation!

CLEARING SNOW FROM SIDEWALKS

Please consider making a donation to the City on Giving Tuesday so that more projects can be accomplished in 2026. Your donations are tax deductible.

WINTER PARKING

Reminder that there is no parking on any public street, alley, or City-owned off-street parking area between the hours of 2:00 a.m. and 6:00 a.m. during the months of November through March.

COMPOST & BRUSH SITE RULES

Please only dispose of acceptable items at the compost and brush site and place on the appropriate piles. Please don't just pull up and dump your waste anywhere.

Acceptable items at the compost site are leaves and yard & garden waste **ONLY**. Acceptable items at the brush site are trees & branches **ONLY**.

Security cameras are installed at the compost & brush sites. You will be fined if you are caught dumping any other items at the site.

CITY ORDINANCES TO REMEMBER

LEAVES – Leaves may **NOT** be raked into the street as they clog the storm sewers.

SNOW ORDINANCE REMINDERS

So that the streets can be plowed, no person shall park, abandon or leave unattended any vehicle on any public street, alley or City-owned off-street parking area between the hours of 2:00 a.m. and 6:00 a.m. during the months of November, December, January, February and March. It is the responsibility of the abutting property owners to remove snow, ice, and accumulations promptly from sidewalks. It is unlawful for any person to throw, push, or place any ice or snow from private property, sidewalks, or driveways onto the street. You will be charged if the city must go back and clean up in front of your property due to pushing snow in the street after plows have cleared the street. Thank you for your cooperation in allowing the city streets and alleys to get cleared in a timely manner.

TREES - Property owners shall keep trees trimmed so that all branches will be at least twelve (12) feet above the surface of the street and eight (8) feet above the sidewalks. These requirements allow residents to utilize the sidewalks safely and allow for garbage trucks and other service vehicles to utilize the streets without damage to their vehicles or injury to their employees. The homeowner will be charged if the city trims the branches. Fall is a good time to make sure your trees are in compliance.
