# WINTER PARKING

Reminder that there is no parking on any public street, alley, or City-owned off-street parking area between the hours of 2:00 a.m. and 6:00 a.m. during the months of November through March.

# COMPOST & BRUSH SITE RULES

Please only dispose of acceptable items at the compost and brush site.

Acceptable items at the compost site are leaves and yard & garden waste **ONLY**. Acceptable items at the brush site are trees & branches **ONLY**.

Security cameras are installed at the compost & brush sites. You will be fined if you are caught dumping any other items at the site.

# CITY ORDINANCES TO REMEMBER

LEAVES – Leaves may NOT be raked into the street as they clog the storm sewers.

## SNOW ORDINANCE REMINDERS

So that the streets can be plowed, no person shall park, abandon or leave unattended any vehicle on any public street, alley or City-owned off-street parking area between the hours of 2:00 a.m. and 6:00 a.m. during the months of November, December, January, February and March. It is the responsibility of the abutting property owners to remove snow, ice, and accumulations promptly from sidewalks. It is unlawful for any person to throw, push, or place any ice or snow from private property, sidewalks, or driveways onto the street. You will be charged if the city must go back and clean up in front of your property due to pushing snow in the street after plows have cleared the street. Thank you for your cooperation in allowing the city streets and alleys to get cleared in a timely manner.

TREES - Property owners shall keep trees trimmed so that all branches will be at least twelve (12) feet above the surface of the street and eight (8) feet above the sidewalks. These requirements allow residents to utilize the sidewalks safely and allow for garbage trucks and other service vehicles to utilize the streets without damage to their vehicles or injury to their employees. The homeowner will be charged if the city trims the branches. Fall is a good time to make sure your trees are in compliance.
