The city council has set Saturday, April 16, 2022, for the City Wide Spring Cleanup Day. A rain date has been set for April 23, 2022. All junk items can be disposed of, free of charge, by taking it to Cooley Sanitation on Main Street from 8:00 a.m. – 1:00 p.m. No tires, liquids, yard waste, garbage, batteries or construction project materials will be accepted. White goods, such as washers, dryers, A.C.'s, stoves, refrigerators, freezers, water heaters, water softeners, dehumidifiers, furnaces, dish washers, light ballasts, microwaves, and humidifiers will require a disposal fee of \$20 per unit. Monitors, printers, and copiers will require a \$5 disposal fee. If you are unable to get your junk items to Cooley's, they will pick up your items for a \$35 per truck load fee as long as they are placed outside of the house. You will need to set this up with Cooley Sanitation. This is a great time to get rid of unsightly junk that may have accumulated around our homes or back yards.

Golf cart permits are valid from January 1st—December 31st.

ATV's/UTV's are NOT permitted in town.

CITY ORDINANCES TO REMEMBER AS WE ENTER SPRING...

GOLF CARTS - Golf carts may be operated upon the streets of the City by persons possessing a valid driver's license and a city permit. The annual fee for a permit is \$30.00 and is payable at the time the permit is granted. Permits are valid from January 1 through December 31. Golf carts may be operated on city streets only between sunrise and sunset and shall be equipped with a slow moving vehicle sign, a bicycle safety flag, a rearview mirror, and adequate brakes. No golf cart shall be used to carry more persons at one time than the number for which it is designed. Please operate your golf cart safely.

GRASS AND WEEDS - Please remember to maintain your lawn not to exceed six inches. This includes the rear yard as well as the front yard. To avoid additional expense to clean the storm sewers, please do not blow your grass clippings into the street. Any violations will be remedied by the city at the owner's expense. Any nuisance mowing not paid will be assessed to the county auditor and collected as property taxes. The purpose of keeping yards maintained at a uniform height is to beautify and preserve the appearance of the city in order to prevent unsightly, offensive or nuisance conditions. This shows visitors the pride we have in our city.

JUNK AND JUNK VEHICLES - Any vehicle that is unlicensed, lacks an engine or two or more wheels or other structural parts, or has a broken windshield is considered a "junk vehicle," and this includes unlicensed trailers. Any old scrap, batteries, trash, debris, dismantled vehicles, mattresses, discarded household goods, or dismantled appliances are considered "junk." Please be considerate of your neighbors and other citizens or visitors, and help make our city more attractive by discarding junk.

TREES - Property owners shall keep trees trimmed so that all branches will be at least twelve (12) feet above the surface of the street and eight (8) feet above the sidewalks. These requirements allow residents to utilize the sidewalks safely and allow for garbage trucks and other service vehicles to utilize the streets without damage to their vehicles or injury to their employees.

2022 AQUATIC CENTER SEASON

Planning for the 2022 pool season has started! If you forgot to pickup or return your life guard application to City Hall, you still have time to get them in.

Pool passes are available at City Hall now. When the pool opens, passes must be purchased at the aquatic center. Prices are \$3.00 for daily admission, \$75.00 for a single person pool pass, and \$150.00 for a family pool pass.

YOUR HELP IS NEEDED! The bathhouses at the pool are deteriorating rapidly. The Park Board is in the process of raising funds to redo them. So far, \$124,755 has been received! If you would like to help, drop off your donation to City Hall today. Thank you!
