

TWO CHIHUAHUAS

sanctuary + rescue

PROPOSAL AT A GLANCE

Our mission

To provide homeless dogs a safe, loving and enriching environment as we work to find them their forever homes.

THE WHY

#2

Maricopa County is the second highest intake for homeless animals in the US*.

Maricopa County Animal Care + Control takes in

~30,000

pets each year; yet they only have space for

350

animals at any time.

MCACC claims a

95%

live release rate.

That means far too many animals are euthanized each day due to lack of space and resources.

BOTTOM LINE

Our animal-loving hearts can't bear to live with

that *status quo.*

OUR GOAL While we are currently a foster-based, 501(c)(3) volunteer rescue organization, our dream is to build an animal rescue sanctuary here in Scottsdale, Arizona. The sanctuary would allow us to house more animals and provide them all the tools and resources they need to be mentally, emotionally and physically rehabilitated. Our goal is not just to shelter and care for homeless pets, we also want to provide our community with highly adoptable animals that can be successful in a loving, supportive and committed home.

WE KNOW WE CAN'T DO THIS ALONE

help us save them

Our sanctuary will require substantial support and sizable donations to make this life-saving endeavor possible. We are seeking partners who share our passion for animals and our desire to make a big impact.

We have an initial fundraising goal of \$1.5 - \$2 million.

To pledge your contributions and discuss donation opportunities, please call Christine Conroy at 480.250.4039 or email sanctuary@twochihuahuasrescue.org

THANK YOU FOR YOUR GENEROUS SUPPORT
