A Big Thank You
to the Medford community
for supporting Art du Jour Gallery
for 20 years.

Our 20th Anniversary celebration was well attended and several original art pieces found new homes. As we continue the "\$88 Art Collection" through November, it comes with a reminder of what an excellent opportunity for collectors and art enthusiasts to own original works from one of our talented artists at a very moderate price.

In the Art Vault Steve & Sue Bennett

The two-month exhibit also runs through the end of the month.

We have two new photographers joining the cooperative. Join us in welcoming Darice Johnson and Gary Wagner.
