### On the Grey Wall The \$88 Art Collection: 20th Anniversary Celebration

We are excited to announce a special upcoming gallery event as part of our 20th Anniversary celebration. Throughout October and November, we will showcase a 12x12 for \$88 exhibit by participating members of our co-operative.

Each piece will be priced at \$88, making it an excellent opportunity for collectors and art enthusiasts to own original works from our talented artists.

This month's Art Walk on Third Friday promises to be a special event as we invite the community to join us in recognizing this notable milestone.

### In the Art Vault Steve & Sue Bennett

Both native Oregonians, Steve practiced dentistry in Bend. Prior to retirement he began to follow his childhood desire to draw and paint with encouragement from his wife Sue, herself an accomplished artist. Together they have conducted workshops in the United States and Europe.
