On the Grey Wall Angie Hanson

AdJ welcomes our newest member Angie Hanson as featured artist for April.

With a focus on vivid colors and intricate details, Angie strives to create a sense of balance and harmony in her compositions. She is passionate about creating artwork that breathes life into the mundane and speaks to the beauty of everyday moments. She strives to create a visually dense experience that captures the motion and energy of the natural world, allowing viewers to explore the artwork from multiple angles and discover something new each time.

Stop in and pay us a visit during the Pear Blossom Festival, April 12 & 13

In the Art Vault Penny Simmons

Penny Simmons' splendid exhibit continues in the Art Vault through the end of April. Penny says her work "is ever evolving" as she continues her tonalist studies, with emphasis on atmosphere, minimizing highly contrasting values and detail.
