213 East Main St. Medford, OR 97501 Open 10 – 4 Tuesday through Sunday. (541) 770-3190

On the Grey Wall Mary Ann Macey

This month's featured artist is Mary Ann Macey. In this exhibit her focus is water fowl in their natural habitat. She gracefully achieves this through careful observation of subject matter and many years of painting experience.

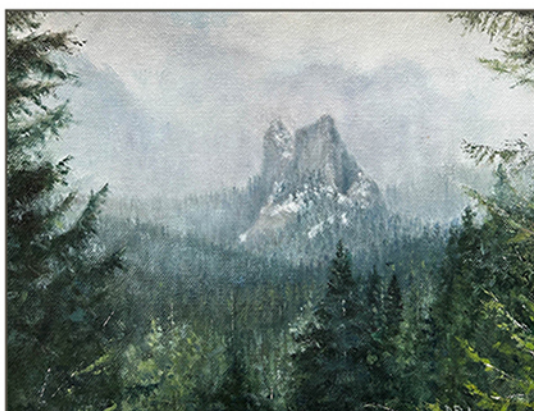

"I have long been inspired by the mystery and splendor of ducks and geese that migrate to their nesting place. Whether in flocks or in pairs, I am simply grateful for them and regularly can hear their praises overhead as they wake up the morning."

Our most recent addition is Aaron Dodds, a glass blower with experience in a variety of techniques including jewelry and sculpture. Over the last two years, the focus of his work has been in a more functional direction.

In the Art Vault

The Southern Oregon Society of Artists display continues to the end of the month. SOSA is a non-profit organization dedicated to promoting two-dimensional art and supporting local artists in Southern Oregon.

AdJ continues seeking Rogue Valley artists who are interested in joining a co-operative and exhibit their work to the public. For membership information we encourage you to visit the gallery or contact any current member.
