Institute Modules of Instruction: Leadership | Development | Citizenship | Education

Goal of Institute: Students will be immersed in learning modules which will help them develop critical skills concerning Leadership, Personal & Professional Development, Citizenship, and Education.

1) Leadership – Students will learn to excel and seek leadership positions in extracurricular activities during their ensuing school year.
2) Development – Students will be connected to *Project Alpha*, a signature program of Alpha Phi Alpha, gaining skills concerning personal responsibility and peer relationships.
3) Citizenship – Students will gain an appreciation of civic engagement and the necessity of being advocates for the democratic process in the United States of America through Alpha's *Voteless People is a Hopeless People Program*.
4) Education – Students will learn success techniques that will make them attractive candidates for institutions of higher learning beyond high school through Alpha's *Go to High School, Go to College Program* in partnership with *Aplus Test Prep*.
