Denim Blue Gin is Anderson Distilleries' London Dry Gin infused with the delicate flavour of blue pea flower

The sharp and juniper forward taste of our London Dry Gin provides the perfect base for any gin cocktail.

The shock of blue provides modern spin for any classic cocktail the addition of citrus or soda will turn the blue a deep purple then a pale pink, a trick that can be used to add a dramatic flair to a traditional mix

Ingredients: Angelica, Barley, Coriander, Blue Pea Flower, Licorice, Juniper, Water

Made in Burnaby BC, from BC grown grains
