

**COVID-19 GUIDELINES**  
for  
***Webster County Produce Auction***  
***& Bob Crump Auctions***

---

Due to the developing situation with the COVID-19 virus, we want to make sure our customers are provided a safe as possible environment while attending our auctions. **Therefore, we are asking for you to follow the following additional guidelines during this time.** The following points are in line with the Webster County Commission orders and the Webster County Health Department recommendations.

Webster County Produce Auction has been ruled as being Agriculture Exempt and Food Exempt.

- If you are sick, coughing, or not feeling well please stay away.
- Please do not bring families, only buyers and sellers.
- Make as much space as appropriate and remind people to be conscious of doing what they can to maintain reasonable space between individuals.
- Maintain social distancing.
- When registering or making payment maintain a 6 ft space between the person in front of you.
- We will space things out as much as possible for social distancing.
- These guidelines will go into effect immediately and will terminate when all local and state regulations have been withdrawn.

We will continue to monitor COVID-19 for updates and to make any necessary changes to our policies or auction procedures with this evolving situation.

We hope we can keep our growers and buyers connected during this situation with as reasonable an experience as possible during the COVID-19 issues.

***THANK YOU for your cooperation and please be safe.***
