There is a team entry limit of six (6) swimmers per individual event, except for the 500 Free, where teams are limited to four (4) swimmers in each of the 500 Free events. Each school is allowed to enter a maximum of two (2) relay teams per relay event (A & B). No exhibition entries are allowed.

Each swimmer is limited to entering four events, no more than two of which may be individual events.

## ENTRY PROCEDURES

The entry procedures have changed from previous years and are as follows:

All schools that have participated in the Holleman meet in past years have been placed on a priority list based on number of years attended, then number of athletes competing -- and they have been notified of their Tier status. Those who have participated all four years have earned a spot in Tier 1. Those with three years attendance are in Tier 2, and so on through Tier 4. Schools who have not participated previously and have expressed an interest in attending are placed on a waiting list, first-come, first-served.

At entry deadline (Saturday, September 13 at 6:00 pm), an entry count will be tabulated, first accepting Tier 1 schools, then Tier 2, Tier 3, and Tier 4. At the point which 500 athletes are

accepted, the entries will be closed. Please note that if a team is accepted and the 500-athlete limit is exceeded with their entry, the school's entire team will be accepted into the meet.

If the entry count is under 500 athletes once all Tiers are covered, then those schools on the waiting list will be accepted until the 500-athlete count is reached.

**An entry file that is received past the stated entry deadline will not be accepted.**

#### **ENTRY DEADLINE**

The Meet Entry File for schools listed in Tiers 1, 2, 3 and 4 is due to Scott Rabalais at [scottrabalais@comcast.net](mailto:scottrabalais@comcast.net) by *SATURDAY, SEPTEMBER 13, at 6:00 PM*. An entry confirmation will be sent upon receipt of your entry, though this does not guarantee entry into the meet. All schools will be notified via email of their meet acceptance status as soon as possible. If schools on the waiting list (below Tier 4) are accepted into the meet, they will have until Sunday, September 14, at 6:00 pm to submit their entry file.

#### **ENTRY NOTES**

Coaches should enter swimmers/relays with best Yards time, or NT. Coaches are asked to enter swimmers and divers using Hy-Tek Team Manager, Team Unify, Swimtopia or other similar team manager software that creates entry files accepted by Hy-tek Meet Manager. Coaches are asked to use the provided meet entry file, which may be obtained from Scott Rabalais or at the meet link [here](#). Though not required, it is requested that coaches show school year (9, 10, 11 or 12) for each swimmer in their entry file.

#### **ENTRY FEES**

\$30.00 per athlete entered, \$3.00 of which will be donated to the Homeless Coalition of St. Johns County. Checks are made payable to *"Nease Golden Panthers Boosters" with Memo: Nease Swim and Dive* and may be delivered upon arrival at Coaches Check-in.

#### **PSYCH/HEAT SHEETS**

Once the entries are processed, the Psych Sheet will be sent to the coaches for review. No changes to entries may be made once the Psych Sheet is distributed, unless clerical in nature. The heat sheet will be distributed via email to head coaches, and Finals heat sheets will be sent as well by email, with limited copies available to coaches at the meet. The heat sheet and results will be posted to the Meet Mobile app. Coaches will be provided three heat sheets at Check-in for Prelims and Finals.

#### **DECK ENTRIES**

Deck entries are NOT allowed for this meet.

#### **TIMERS**

All participating teams will be asked to supply timers. Specific requests will be made after the entry deadline. Nease will supply all timer equipment needs and lap counters.

### **SCRATCHING PRELIMS AND/OR FINALS**

There is no penalty for scratching on the block in Prelims. Also, there is no penalty for scratching relay teams in the Finals. Swimmers who are qualified for and scratching an individual Finals event are asked to do so within 30 minutes following the conclusion of Prelims. While there is no penalty for No Show in the Finals, coaches are STRONGLY ENCOURAGED to report all individual-event scratches through 24<sup>th</sup> place by the Prelim scratch deadline to allow other swimmers to move into Finals and/or alternate positions. Scratching takes place at the Admin Table.

Finals alternates wishing to swim in an open lane in Finals must be standing at the Starter's area, ready to step on the blocks for his/her swim, when the swimmers are called to the blocks. Only the Starter will call for the alternate, not the Announcer.

### **COACHES/CAPTAIN MEETING**

A meeting of head coaches and team captains will be held during warm-ups and run by the Meet Referee. In the case of dual warm-ups, there may be two meetings held. Meeting time(s) will be announced via an email to coaches.

### **RELAYS**

Coaches are NOT required to list relay participants with meet entry. Relay cards will be distributed to coaches upon arrival and the four swimmers on each relay shall be listed in order swimming in legible handwriting. Swimmers will bring relay cards to the blocks and hand them to the lane timer. Again, relays are in Finals only, timed finals.

### **PARKING**

Parking instructions will be sent to the head coach of each participating team to forward to all participants and families. A parking map will be posted on the meet webpage.

### **TICKETS**

Spectators may purchase an all-day pass for \$10.00 at the gate with cash or Square payment. Also, spectators may purchase tickets in advance at <https://square.link/u/qLJnP71P>. Spectators should bring a copy or screenshot of their receipt for entry. All spectators age 18 and under will be admitted free of charge.
