SWIMMER/TENT DROP-OFF

To reduce congestion, there will be no swimmer and tent drop-off at the main Planet Swim lot. Instead, drivers may drop off swimmers in the Public Lot circle drive, shown on the map to the left.

To access the Public Lot, once turning on to Davis Park Rd, pass the entrance to Davis Park on the right. The next right turn is into the Public Lot. Proceed into the lot, then go left to access the circle drive.

Please have swimmers exit as soon as possible to avoid back-up of vehicles. Tents, ice chests, etc., may also be unloaded here. The Davis Park sidewalk can be accessed from the circle drive, a three-minute walk to the pool.

Once swimmers and goods have been unloaded, drivers shall proceed to any of the noted parking areas for permanent parking. Thank you for your cooperation!
