New York's Naval Militia Visits Lighthouse

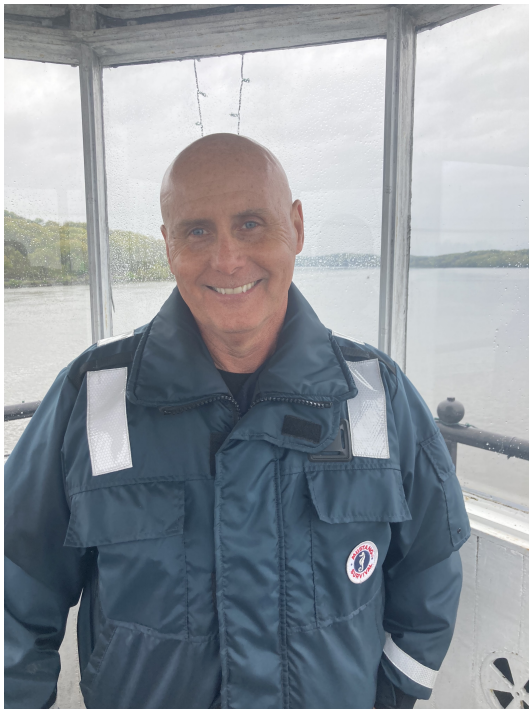

Last weekend New York's Naval Militia's Emergency Boat Service visited the Hudson-Athens Lighthouse as a part of [their seasonal kick-off and training](#), hosted by the Hudson Power Boat Association.

Since 1891 the Naval Militia has responded to emergencies and taskings throughout New York State, providing assistance and support at the direction of The Adjutant General.

Nearly all (95%) of the Naval Militia is composed of federal reserve forces from the United States Navy, Marine Corps and Coast Guard. The New York Naval Militia is recognized by United States code (Title 10), and has established partnerships with many federal and state agencies including the U.S. Coast Guard, the U.S. Border Patrol and the New York State Office of Parks, Recreation and Historic Preservation.

We greatly appreciate their service and their visit!

Please click the photo above to see the amazing drone video filmed by Glenn Wheeler of their stunning formation.

This weekend we get together to learn more about volunteering at the lighthouse. Volunteering as a lighthouse ambassador at events like the New York Naval Militia Kick-Off and Training is one of the many ways you can support the Hudson-Athens Lighthouse. Join us tomorrow at Hudson Power Boat Association for a casual "Lunch and Learn" and to sign up as a volunteer this season for field trips, Saturday tours and Waterfront Wednesdays! **See you from 1P - 3P tomorrow Saturday, May 6th at Hudson Power Boat Association located at 23 Ferry Street in Hudson.** See you there!

Please let Kate know if you can join us by sending an email to kate@halps.org.
