WELCOME & MESSAGES

CBCSC President's Message

Welcome to the CBCSC Jamboree!

We're so glad you're here.

More than twenty-five years ago, our founder, Althea Frank, had a vision of organizing the California Black Campers Association (CBCA).

Through her passion and dedication, we've grown and expanded to include the California Black Campers of Southern California (CBCSC).

From our humble beginnings to where we are today, our mission remains rooted in unity, celebration, and service. As a proud nonprofit organization, one of our goals is to support and empower the next generation by offering scholarships to help our youth pursue their educational dreams.

We welcome all campers—regardless of age, race, or ethnicity—to join our CBCSC family. We promise to make this a joyful, inclusive, and memorable experience for you and your loved ones.

Throughout the weekend, we have a variety of activities planned, including dinner, dancing, games, and more. If you have any questions or need assistance, don't hesitate to ask any of our CBCSC members.

Thank you for being here and for supporting our community. We look forward to an unforgettable weekend together.

May God bless you and your family.

2024-2025 CBCSC WAGON MASTER'S MESSAGE

Welcome to the 2025 CBCSC Jamboree!

Hello—A Bit About Me

I am a retired Technical Pipeline Specialist for the Petroleum Oil Industry for over 40 years. I was born and raised in Los Angeles, California and enjoy many hobbies like camping, swimming, cycling, skiing, dancing, and spending quality time with family and friends. I am married to my best friend Tracey Sheffield and look forward to sharing many more years together. Unfortunately, all of my hobbies came to a halt after discovering a major heart condition. I was blessed to receive the gift of life with a transplant from a donor last August. My motto is: *Live a life of purpose and a song in your heart!*

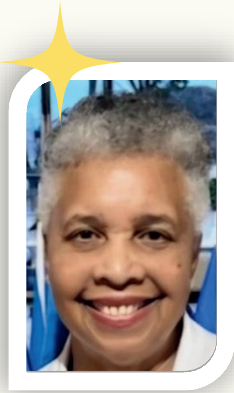

The driving force behind what I do in this position is to connect with people to help craft and create innovative enhancements, and most of all to help make enjoyable memories for all of you attending the rally here in Palm Desert.

**Celebrating 25 Years of the CBCSC!!
Let's Go!**

Respectfully,
Terry A. Sheffield

NAARVA WESTERN REGION DIRECTOR'S MESSAGE

Liz Hemingway
Western Region Director

Hello California Black Campers!

Greetings and welcome from National African American RVers Association Western Region. It is my pleasure to represent the RV community of the NAARVA.

I also want to highlight the importance of what brings us together. As members of NAARVA, we share a passion for exploration, connection, and fellowship. It's an opportunity to enjoy and celebrate each other as a family of RV enthusiasts. Let us share our stories, laughter, and experiences, creating memories that will last a lifetime.

It is incredibly wonderful to have organizations like the California Black Campers of Southern California along with NAARVA representing our culture and values available for those interested in the RV way of life.

I wish you much success in your 2025 rally at the Emerald Desert RV Resort in beautiful Palm Desert and thank you for promoting a family camping lifestyle.

Wishing the California Black
Campers of So. California

a joyful journey and a successful
2025 RV Jamboree!

United by adventure, fellowship, and good vibes.

HISTORY, PURPOSE & OBJECTIVES

The California Black Campers of Southern California (CBCSC) is a nonprofit association committed to promoting fellowship, friendship, and recreational engagement. Guided by principles that are non-sectarian, non-partisan, non-sectional, and non-racial, the organization remains steadfast in its dedication to bringing people together through shared experiences.

In 1998, the Trail Masters RV Club made history as the first Southern California group to attend the California Black Campers Association (CBCA) Jamboree. Their participation led to the designation of the “Southern California Branch of the CBCA.” Recognizing the growing interest and community spirit, the CBCSC was officially formed in 2000 under the General Nonprofit Association Law of the State of California. The organization operates with no intention of pecuniary gain or profit to its members.

To ensure ongoing collaboration and tradition, the CBCA and CBCSC established an alternating schedule for hosting the annual September Jamboree. The CBCA previously hosted in even-numbered years in Northern California, while CBCSC hosts in odd-numbered years in Southern California.

The Jamboree serves as a vital fundraising event, primarily aimed at supporting scholarships for high school seniors pursuing higher education. Two scholarships were established to honor visionary leaders: CBCSC Founder S. J. McGee and Van Nuys Traveliers President Pamela Hodges.

As CBCSC celebrates its 25th Anniversary, we proudly honor all those who have played a vital role in shaping the organization’s growth and success through their many years of dedicated service as CBCSC representatives.

CBCSC CO-FOUNDERS

S. J. McGEE & ALEX BROWN

Two members of the Trail Masters RV Club took the initiative to establish an organization modeled after the California Black Campers Association. They actively canvassed Southern California to connect with interested RV enthusiasts, leading to the official founding of the California Black Campers of Southern California in the year 2000.

CBCA FOUNDER –

“A SPECIAL LADY”

ALTHEA FRANK

She remains with us in spirit. Though she has passed away, her memory will forever be cherished, and she is deeply missed by all who knew and loved her.

2025 SCHOLARSHIP RECIPIENT

Selected by: Outsiders RV Club

Iruka Akpamgbo, who graduated from Desert Oasis High School in May 2025, was a member of the Black Student Union and a track and field athlete.

Iruka's deep admiration for her mother grew from witnessing her resilience as a single parent, who provided stability despite financial and emotional hardships. When Iruka's mother returned to school, her perseverance and sacrifices became a powerful inspiration for Iruka to value education and pursue her own ambitions.

This admiration shaped Iruka's passion for psychology, especially after taking a class in the subject during high school.

Iruka decided to pursue a career as a pediatric psychiatrist. Her goal is to graduate from San Diego State University with a bachelor's in psychology and continue on to a doctorate, helping young people confront mental health issues early in life. Iruka credits her mother's enduring strength and values as the driving force behind her determination to succeed and make a difference.

2025 SCHOLARSHIP RECIPIENT

Selected by: RV Family and Friends RV Club

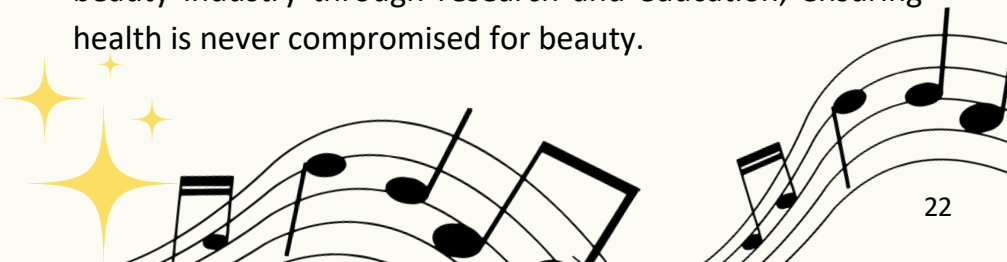

Anniyah Littlejohn was driven by a desire to help others and live a life of purpose. Her journey into the world of beauty began at just thirteen, styling hair and discovering her true calling.

This passion evolved into a fascination with cosmetic chemistry, particularly its potential to develop healthy beauty-enhancing products for women of color.

Years in the salon industry revealed a significant gap in consumer knowledge about product ingredients. Anniyah recognized the urgent need for safe, effective formulations designed for diverse hair and skin types, especially within the Black community. This led to her deep commitment to cosmetic chemistry, a field that blends science and creativity to create meaningful change.

As a salon owner, Anniyah empowers clients by providing not just styling, but also education and confidence. She lives by the principle, “To whom much is given, much is required,” understanding that her purpose extends beyond aesthetics to advocacy. She is pursuing a degree in Cosmetic Chemistry at Spelman College, aiming to transform the beauty industry through research and education, ensuring health is never compromised for beauty.

**Thank you CBCSC for 25 years of keeping our
camping community strong!**
