

YOU ARE WHERE YOUR MIND IS.

Think of Life:

Living	Brings
Adversity	Teaches
Humility	Alters
Perspective	Opens
Wisdom	Accepts
Guidance	Offers
Forgiveness	Releases
Peace	Emboldens
Faith	Provides
Strength	Nurtures
Love	Joins
Together	Connects
Awareness	Reveals
God	Is

One human's individual consciousness is not individual,
As in One of many,
But infinite, as in, many of One.
