

Dear Fun Seekers,

As we look back on 2020, we realize now more than ever, what truly matters the most... our family, friends, and our health. You, our valued Fun Seekers, are friends who are like family to us, and we appreciate all of you!

Thank you so much for all the support through this upside-down year as it was the most challenging for Buddy and I as well as many of you. Although it did not go as expected, we move forward with hope for better days ahead in 2021.

Good news is that we are in the planning stages of many great day and overnight trips once we get the green light to resume travel!

There is much work to be done to make sure safety measures are in place and to abide by the given mandates of each individual state. We are committed to health and safety as our top priority. Trips will begin the end of April and the long-awaited schedule will be released via email in late February.

Be sure to keep checking the website for updates at [www.FunSeekerTrips.com](http://www.FunSeekerTrips.com)

Please note that we are currently continuing to take reservations for our Iceland and Ireland trip, August 11-22, 2021. Iceland will be first on the itinerary before we encircle ALL of Ireland, north and south, not to miss a thing.

There is room for 10 more people, so if this trip is on your bucket list, call us right away so we can reserve a spot for you. Should this trip get cancelled, you will receive a refund.

As we welcome in the New Year, may it be a peaceful and prosperous year for all of you, and may you have the blessings of good health, joy, and happiness.

We truly look forward to seeing you as we have missed all our Fun Seekers so much!

Sending each of you a BIG virtual hug!
