Foundation Overview

The Colton Baschke Foundation is a nonprofit organization dedicated to honoring Colton's memory and supporting community enhancement. Our goal is to keep his memory thriving with outreach development driven by Colton's passions.

Funds raised will provide a scholarship in Colton's name to local college students, support local k-12 youth, help fund our pet food assistance, pet health, and community enrichment programs. Your donation or support will directly help our mission to further these important causes.

Program Overview

Pet Food Assistance Program

The Pet Food Assistance Program will aid pet owners, organizations dedicated to helping animals, and others that need financial assistance purchasing pet food.

Pet Health Program

The Pet Health Program will provide financial support to pet owners, and organizations that need assistance or help with paying vet bills and pet medications.

Community Enrichment Program

The Community Enrichment Program will be dedicated to supporting the community in the following ways:

- Iowa Lakes Community College Scholarship.
- Donations to local animal shelters.
- Donations to help with the cost of pet adoptions.
- Backpack program for the youth at schools in the community.
- Adopt-a-family efforts during the holiday season.
- Volunteer and community enhancement activities.

How to get Involved

Our pet centered programs are given to individuals who show financial need and meet our qualifications. To apply for assistance or donate please email coltonbaschkefoundation@gmail.com.

Volunteer opportunities and community enhancement activities will be posted in advance. To join or volunteer please email coltonbaschkefoundation@gmail.com.
