

Questions to ask yourself

Do you already have a wheelchair?

What do you like about it?

What don't you like about it?

Why do I need a new one?

How often will use it?

How long will I be using it per day?

Do I need a pressure cushion or postural backrest?

What distance will I be covering per day?

Would powered assistance be a benefit?

What is the narrowest doorway you need to access?

Is accessing your accommodation be an issue?

Is my condition stable?

Do I need the chair to be adaptable if my needs change?

Will I need to transport it?

Will I be lifting it?

Where will I carry it, in the boot or passengers seat of my car?

Will I be transported by car/minibus/bus/taxi while sat in it?

What is my budget?

Will I need additional funding?

Wheelchair Voucher?

Charity funding?
