ABOUT US

Allow us to introduce you to your new favorite party guest. This is not your average photo booth. It's a new, modern and innovative "open-air" design that is sure to impress at your next event. It's easy to use, eco-friendly & completely customizable to match any theme or aesthetic. It will instantly deliver all photos, videos, boomerangs & GIFS digitally to your guests so they can immediately post or share. So long are the days of losing your photo strip or not knowing what to do with it once you get home. All we really want to do is be able to share these fun captures with friends & family on social media. Everything in life is worth celebrating, so invite us to capture those moments.

Every Event = a 🌳 Planted!

Our New Years Resolution is to take our eco-friendly business model one step further. We have 5 fully digital photo booths & work close to 200 events per year & growing. We will be donating a percentage of our sales to "One Tree Planted" to plant trees. Together we can give back to the environment.

Gone are the days when printed photo strips dominated the industry. They now are frequently forgotten or scattered on the floor. Embracing the digital shift has been our commitment since day 1. It not only aligns with the future, but also meets popular demand. Join us as we stride forward, embracing sustainability and technological innovation.

BEHIND THE BOOTH

Hi! We are Alexandra & Jordan — The owners of BFLO PHOTOBOMB LLC! We got engaged in May of 2021 & that was the first push in the chain reaction that was starting this business together. We were in the same position as most of you, planning a wedding & looking for something awesome but unique to entertain guests during the reception. Solution? BFLO PhotoBomb. We had our photo booths at our own wedding in September 2023 & we couldn't recommend it enough. Our guests absolutely loved it and so will yours! We love running this business together as a couple & we have been so blessed to have been a part of hundreds of events & weddings in Buffalo so far.

MEET THE BOOTHS

GLAM BOOTH

Our Glam Booth took Buffalo by storm & we are proud to have been the first company to bring this trend to the area. This booth provides an experience that is nothing short of perfection with flawless, billboard-quality captures, courtesy of its integrated DSLR camera & studio lighting. This is the most technologically advanced booth on the market & we were among the first 50 companies in the country to debut it. We set a new standard in photo booth experiences & by no surprise, demand is soaring.

SOCIAL BOOTH

Guests cannot get enough of this photo booth! This has been our business staple with its modern, sleek design & fun features. This is the ultimate selfie booth that has been quite literally the hit of every single event. It is perfect for all occasions & is completely customizable to match any event style or aesthetic. Guests will be sharing these photos on social media for months & years to come!

WEDDINGS

Your wedding is a day you'll never forget. Let us capture special moments you & your guests will be talking about & sharing for months & years to come!

Congratulations on your upcoming wedding! This is such an exciting time & we are here to make booking your photo booth easy. Before your guests arrive, our photo booth will be fully set up & ready to go! We will monitor remotely & will pick up at the end of your reception. Our professionalism & experience will allow you to have a stress free and seamless wedding. To make it even better, our gift to you is that we will include up to one hour for free to account for guests seated during dinner! See the chart below to figure out how much coverage your wedding will require

Wedding Coverage Guideline:

Cocktail Hour: 1 Hour

Dinner: FREE

Reception: 3-4 Hours (varies per wedding)

Coverage Needed: 4-5 Hours

Weddings are a 4 hour minimum rental & coverage should include your entire wedding start to finish, starting at the beginning of cocktail hour. To preserve the guest experience & provide the most professional service, we will not set up or break down during an active event or wedding

*could be more depending on your unique timeline

FAQ

WHAT DO WE NEED FOR SET UP:

— We take care of set up & break down. All we require is a 3 prong, 110V outlet to plug into and a 6' X 9' area on solid, level ground

CAN WE HAVE THE BOOTH OUTSIDE:

— Yes, weather permitting! If it is extremely hot or a chance of rain or high winds, we may require our setup to be placed under a tent/covering or inside. Although our Glam Booth is indoor use only

DO WE NEED WIFI:

— Nope, we bring our own! Our booth has cellular service built in. If you have a venue with poor service, wifi would be helpful for faster delivery speed

DO WE GET ALL OF THE PHOTOS:

— Absolutely! Your live gallery is shared to every guest with their capture & they can access it during your event & afterwards. We also will send you a complete zip file of all captures taken.

WILL THERE BE AN ATTENDANT?

— No, our photo booth is so user friendly that it does not require an attendant! There are prompts on the screen that guide you through every step. Our team would complete the set up before your wedding begins, monitor remotely during, & pick up at the end of the the night.

CAN I ADD EXTRA TIME?

— Yes, you can add additional coverage to any package for \$100/hour

HOW MANY HOURS DO I NEED?

— To preserve the guest experience and provide the most professional service, we require installation prior to guest arrival & tear down at event end. For weddings, we do provide up to 1 hour of downtime to account for guests seated during dinner. We must account for all active and idle time when our equipment is set up.

HOW DOES IT WORK?

— Our photo booths are fully digital & will instantly deliver the photos to your guests by text, email or airdrop so they can immediately post or share! It is easy to use, eco-friendly & most importantly, FUN!
