FALL 2025 QUARTERLY NEWSLETTER

From the GOMA President:

Fall brings the endless leaf pickup. I would like to remind everyone to not blow the leaves out of your yard, into the street, and the street grass areas. The City of Central Point is not running the street sweepers as often which leaves more for the landscaping company to pick-up. The City of Central Point, along with Rogue Disposal, will once again offer bagged leaf pick-up this year. The schedule for the leaf pick-up has not been published by the City of Central Point yet, so please check their website or their upcoming newsletter. Past standards are that leaves are to be in sealed bags that weigh no more than 40 pounds and placed at the curb no later than 6:30 a.m. on pick-up day.

The first week of October, Greenway Spray LLC will spray the street grass strips using a safe for pets and human mix. The spray will be for weeds, pests, and fungus, and will occur twice each year. Once in the fall and again, in the spring.

I would like to invite each and every one you to join us at the next GOMA Board Meeting. It is on Tuesday, January 20 at 6:00 p.m. in the conference room at Twin Creeks Retirement. Come meet us and see what we are about. Hopefully, some of you may be inclined to join us as a committee member and future board member.

If you have any questions or concerns, please don't hesitate to contact the board at Board@GriffinOaks.org.

I wish everyone a happy and safe holiday season!

Ted Sander
GOMA President
