Emergency Notifications

Have you registered for emergency notifications?

Jackson County uses the **Citizen Alert** program to send emergency messages about events that may affect your home, workplace, family's schools and more.

Citizen Alert is a service that can send emergency messages to your residence or business landline (if you have one).

It allows you to opt-in to receive notifications via phone calls, text messaging, e-mail and more based on locations you care about.

Administrators may send notifications regarding fire, severe weather, flooding, gas leaks, police activity and more.

Register for free today in **Citizen Alert** at: RVEM.ORG

Campaign Signs

Election time is right around the corner, so please remember not to have campaign signs in our front yards.
Putting them in our windows is fine.

Friendly Reminders

Need to contact us?

-Get a copy of the CC&R's anytime by visiting www.griffinoaks.org

HALLOWEEN FUN

This year, Halloween falls on Saturday, Oct. 31st. This means more pedestrians on our streets. To keep everyone safe, please remove tripping hazards that lead to your front door and put dogs in another room when answering that bell. Spooky decorations are always fun but make sure they're positioned securely. If you decide not to participate or when you run out of treats, turn the porch light off as a signal that you are done for the evening.

SPRINKLER UPDATE

Work has been ongoing the past 3 months to solve problems with the "street strip" sprinkler irrigation system in Griffin Oaks HOA boundaries. We have realigned and replaced over 100 broken or wrong sprinkler nozzles and have replaced a dozen leaking control valves. Please email Board@GriffinOaks.Org to report a broken street strip spray nozzle.

INVASIVE HORSETAIL GRASS

A Griffin Oaks neighbor has recently identified invasive Horsetail grass on their property. Below are two websites for your information, should you need it.

- http://oregonstate.edu/dept/nursery-weeds/weedspeciespage/horsetail/Equisetum_arvense_horsetail.html
- <https://www.gardeningchannel.com/how-to-grow-or-eradicate-horsetail-plant>
