## MEET YOUR NEIGHBOR Q & A MARK & EMILY JACOBS

**Q:** How long have you lived in Twin Creeks?

**A:** Four years; we love it! It's been a dream of ours since moving to the valley in 2008.

**Q:** What's your favorite thing about living in the neighborhood?

**A:** The friendly people and being able to walk to all the great spaces.

A word from GOMA Board President, Matt Epstein:

I'm hopeful there's optimism that the Covid virus issues are diminishing and we may be able to settle into the "new" normal in our lives. Many of us had to make adjustments we never had expected.

I want to recognize Emily Jacobs, a local GOMA resident who has graciously agreed to produce the quarterly newsletter. I know she will bring a new and fresh approach to sharing information while fostering a sense of community.

Spring is such an uplifting time for me to focus on the positive things one can be grateful for. I invite you to enjoy all that spring has to offer and get out and enjoy the flowers blooming around our lovely neighborhood.

# Updates & Reminders

## THINGS TO KNOW

- A few months ago there was a ballot sent out with a proposal to combine existing neighborhood HOA's. The proposal did not meet the percentage needed to pass. As of this time all associations will remain independently run.
- Inspection of GOMA's street strip sprinkler zones is underway preparing the system (over 2500 sprinklers) to be turned on in the next 4-5 weeks.

## PLEASE HELP TO KEEP OUR NEIGHBORHOOD BEAUTIFUL

- Please roll in your cans on day of garbage pickup and store them in your garage or behind fenced areas
- Pickup after your dog
- Any major modifications to the exterior of your home needs to be approved by the board via email. It's easy!
