Friendly Reminders

COMMON TRASH

We are fortunate enough to have a variety of mini parks distributed throughout our neighborhoods providing important recreational, environmental, and wildlife value.

This Recreation and Open Space Plan has beneficial aspects for storm water management, and wildlife habitat.

Please keep these areas free of debris by walking the extra few steps to the nearest trash can. Set a good example for all to follow!

TREASURER UPDATE

Invoices are due upon receipt as noted on the invoice. They will be considered late (and a late fee assessed) on the 1st of the following month and every month thereafter, until the past due balance is paid. Thank you for paying on time and those that pay yearly.

PARKING VIOLATIONS

Trailers and campers must not be parked on the street for more than 24 consecutive hours. If you have renters, it is your responsibility to advise them of our CC&R's. And, **NO**, driving around the block and reparking 3 feet further down does not reset the clock.

If you have questions contact the board at board@griffinoaks.org
