FROM GOMA PRESIDENT,
MATT EPSTEIN

Greetings Griffin Oaks Homeowners
and Residents,

As I turn the calendar page onto the
New Year, I am thankful for our
moving to Griffin Oaks 5+ years ago
and appreciative for all the positive
things we have in our life here.

I'm pleased to announce we've elected
two new board members and a new
committee member who've volunteered
to join the GOMA board (see back page).
Please join me in welcoming Ron, Jim,
and Anne, bringing our board to full
strength for the first time in two years!

The leaf fall the past 2+ months
seemed to be earlier and heavier than
the past several years. Our landscape
contractor has been busy for the past
weeks cleaning up leaves from "street
trees." Leaves from the two trees in
our backyard only generated 25(!)
bags of leaves for the RV Recycling
company to pickup.

Your board strives to maintain our
Griffin Oaks community property
values by keeping a safe, well
maintained, and attractive
neighborhood and a great place to
live.

The board welcomes communication or questions
from GOMA residents. We can best be reached at
board@griffinoaks.org.

I close with best wishes to you and your family... and a
peaceful coming year filled with good health, love, and
laughter.

AROUND THE NEIGHBORHOOD

MEET YOUR NEWEST REPRESENTATIVES

RON WRIGHT

Ron resides on Silver Creek and has been elected as a new board member. Ron and his wife, Sue, moved to Griffin Oaks in 2022. As rural transplants, they're enjoying their first real neighborhood. Ron began his career as an officer in the U.S. Navy. He then worked with several companies primarily focused on manufacturing and construction. Prior interests included skydiving and flying helicopters. Currently he's attempting to become a novice cook and baker. He and Sue are looking forward to making a contribution to our community.

JIM BROWN

Jim resides on Valley Oaks Blvd and fills an open board slot. He and his wife Debbie grew up in Medford and moved back to Griffin Oaks in 2016 after 40 years in the Portland area. He's a retired software executive and daily walker with his dog, Molly. He enjoys golf and working in the yard, and is eager to help us maintain our beautiful neighborhood.

ANNE LANGSETH

Anne resides on Oakley and has joined the board as a member of the "Home Modification Request" review committee. Anne and her family have lived in Twin Creeks since 2021. She and her husband Craig grew up in Washington State but have recently moved into the area to be closer to family. They have two middle school-aged kids. Anne is a mechanical designer for a local HVAC co. and has a background in mechanical engineering and general contracting. She'll be helping Ted with home modification applications.
