# Placing an Order Request...

To place an order through ConcreteDirect.com...

1. Select the “Create order” link in the navigation bar
2. Fill in the required fields: Date, Jobsite, time, mix, etc.
3. Click on the “PLACE ORDER” BUTTON

Your order request has now been sent to the order takers. When accepted, its status on the “Orders” screen will change to “Confirmed” and be assigned an order number.
