

ConcreteDirect

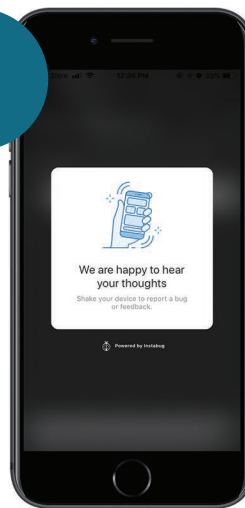

To use the app, first ask your dispatcher or sales person to create your account.

1

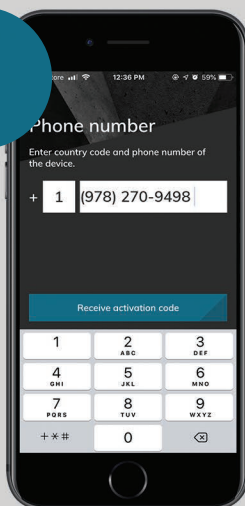

The first time you open the app, you will be asked to permit notifications. Please tap “Allow” at this time.

2

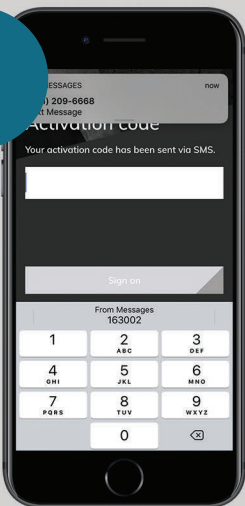

You will also be shown that you can shake your phone to submit bugs and provide feedback. Tap anywhere to dismiss this dialog.

3

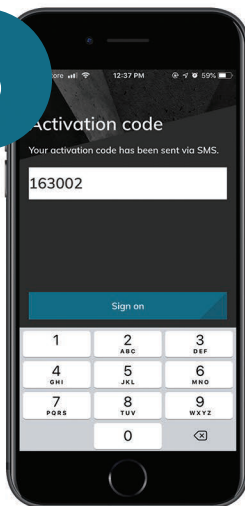

Please enter your country code and phone number into the field, then tap “Receive activation code”.

4

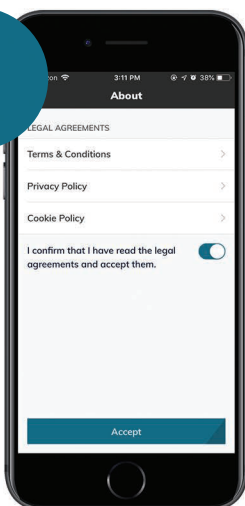

You will receive a text message with a unique six digit activation code.

5

Enter the unique six digit activation code into the text box and then tap “Sign on”.

4

After reading the T & C, tap the toggle switch to unlock the “Accept” button. After tapping “Accept” you will now be able to use the app.
