Live Game Modes

Game modes are designed to promote healthy competition among students.

Assign – homework/practice

The image displays six distinct game mode cards arranged in a grid. Each card features a colorful illustration at the top, a title, and a list of activities in rounded rectangular buttons.

- Classic Mode:** Illustration shows a dark interface with four colored buttons (blue, teal, yellow, pink). Activities: Practice, Assessment, Review.
- Mastery Peak:** Illustration shows a mountain peak with a flag and several small figures. Activities: Mastery, Practice, Fun.
- Instructor Paced:** Illustration shows a teacher pointing at a whiteboard while a student looks at a tablet. Activities: Practice, Lessons.
- Test Mode:** Illustration shows two students at desks with a large clock icon. Activities: Quizzes, Assessment, Review.
- Team Mode:** Illustration shows two groups of students facing each other with a 'VS' sign. Activities: Collaboration, Friendly competition.
- Paper Mode:** Illustration shows a student using a smartphone and another holding a paper with a grid. Activity: Low-tech classrooms.

Assessments

- Import worksheets/questions
- Generate with A
- Create from scratch

Basic

-  Multiple choice
-  Multi-select
-  True or false
-  Fill in the blanks
-  Open ended
-  Passage
-  Interactive video

Math

-  Graphing
-  Math response

Interactive & higher order

-  Drag and drop
-  Dropdown
-  Categorize
-  Reorder
-  Match

Visual learning

-  Labeling
-  Hotspot

Open ended

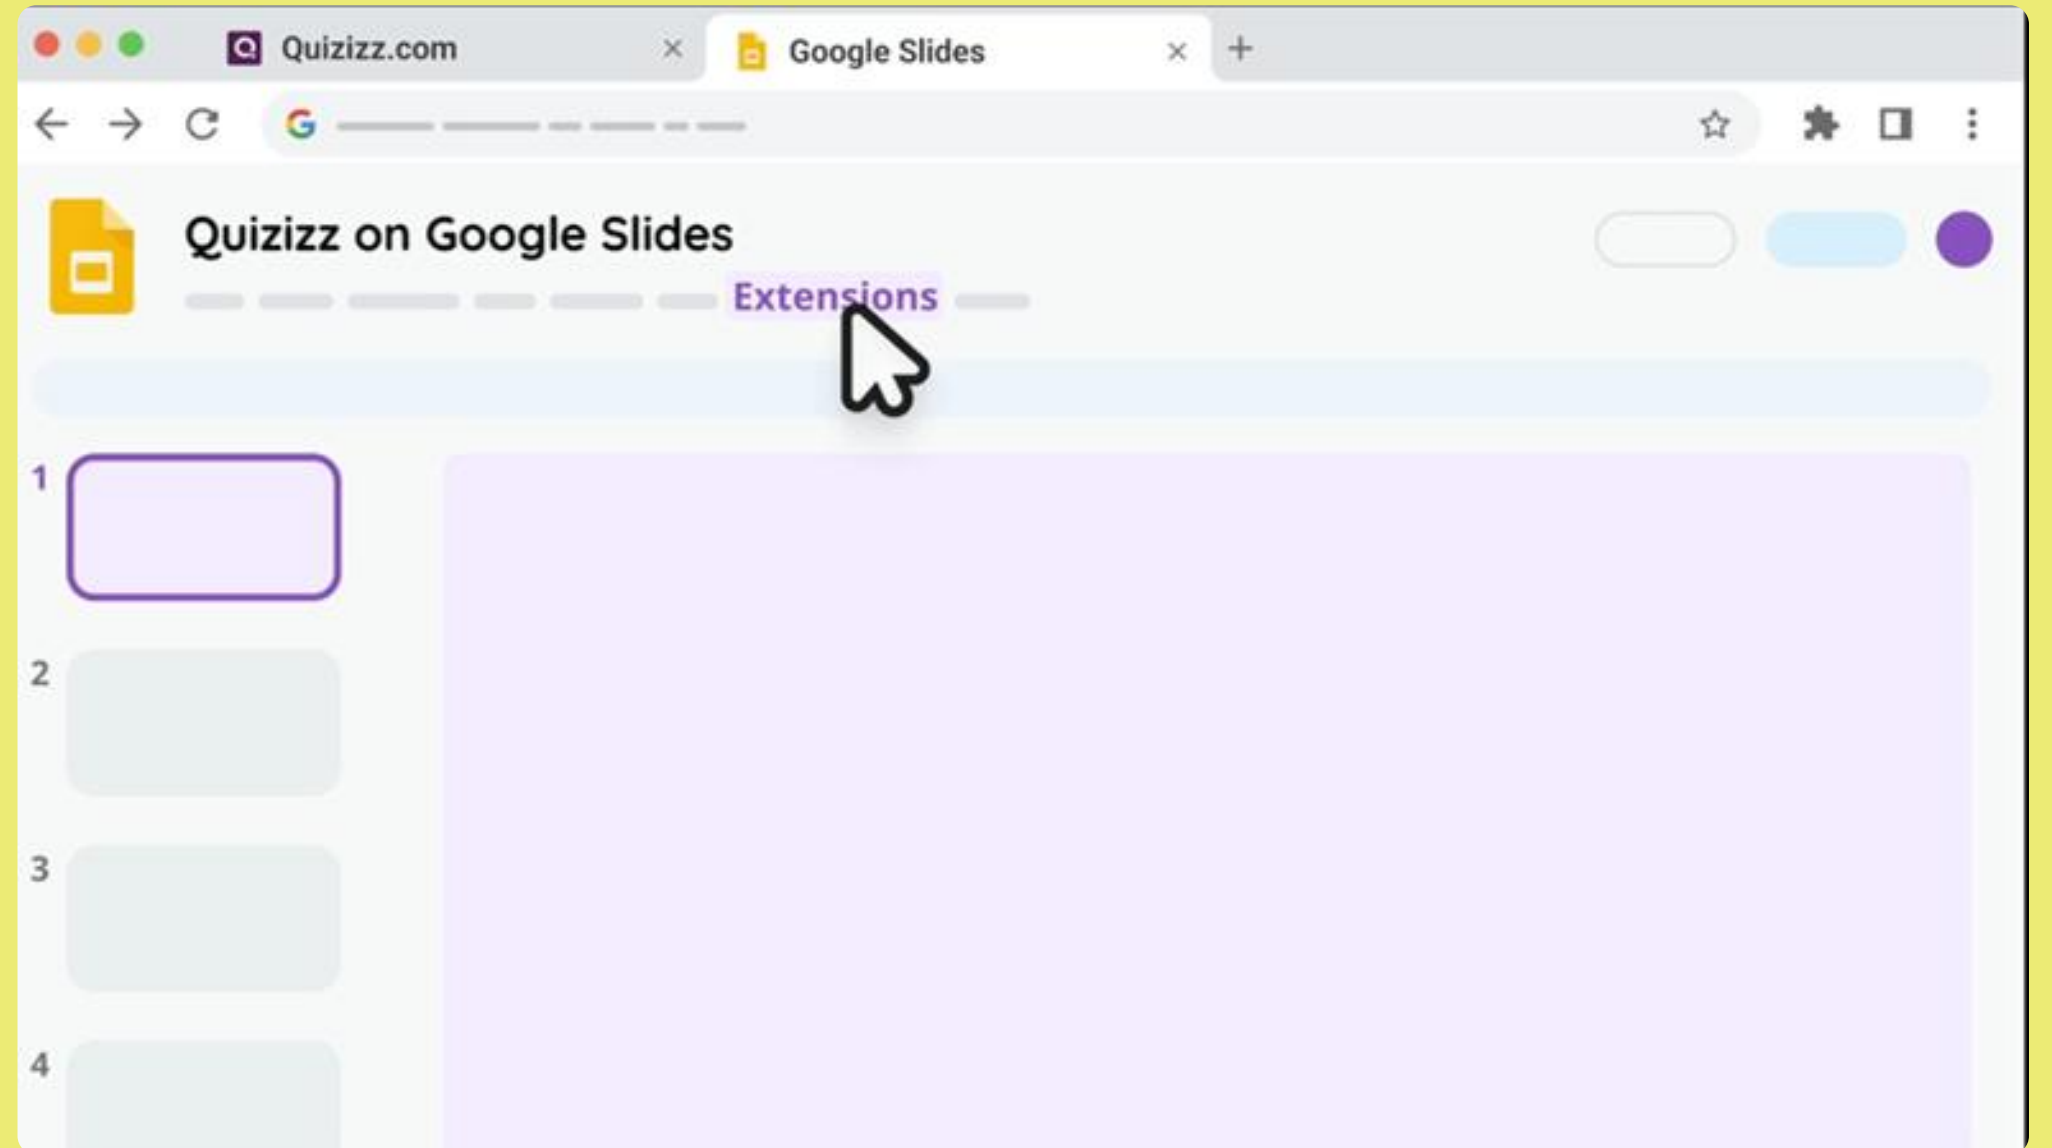

-  Draw
-  Video response
-  Audio response
-  Poll
-  Word cloud

Other

-  Slide

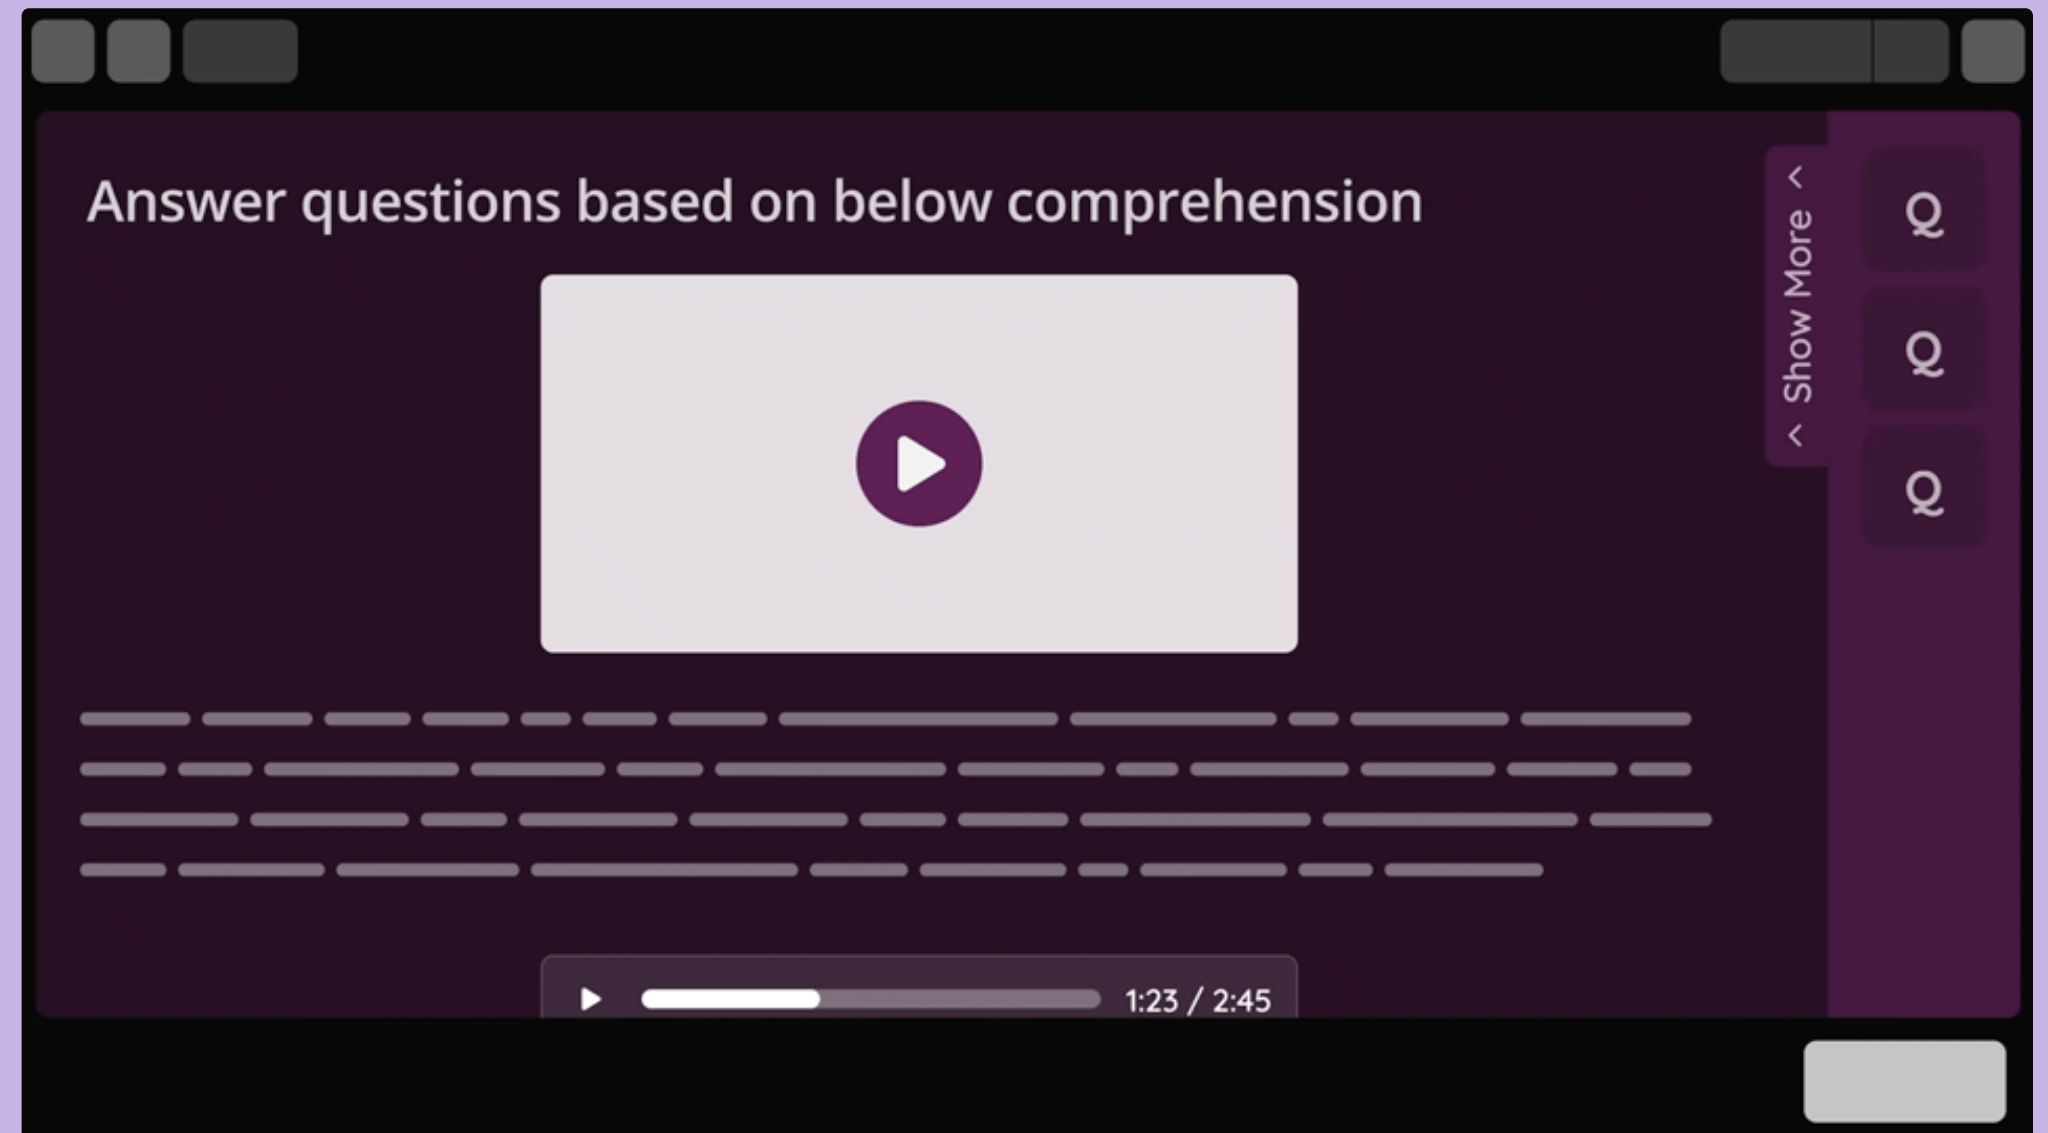

Presentations

- Google Slides Add-on
- New lessons toolbox
- Improved formative data

Passages

- Incorporate literacy across the curriculum
- Create questions from your favorite reading material
- Standardized test prep

**School/District Plans only*

Interactive Video

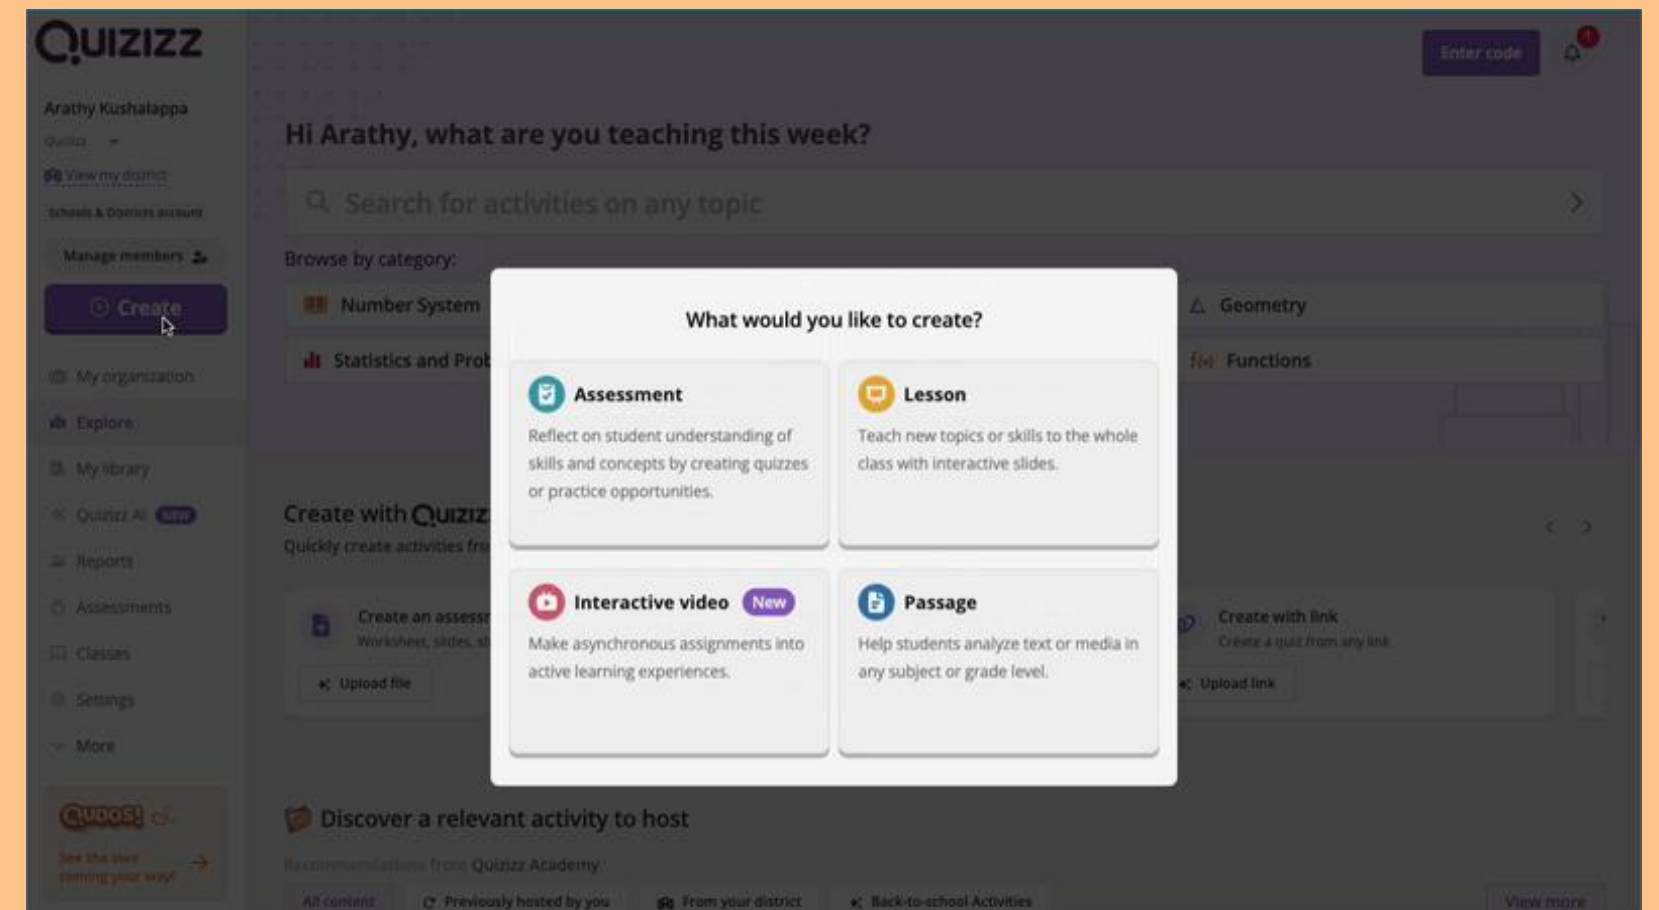

- Create even quicker with AI generated questions
- Reteach concepts
- Assign as homework

Interactive Video Library

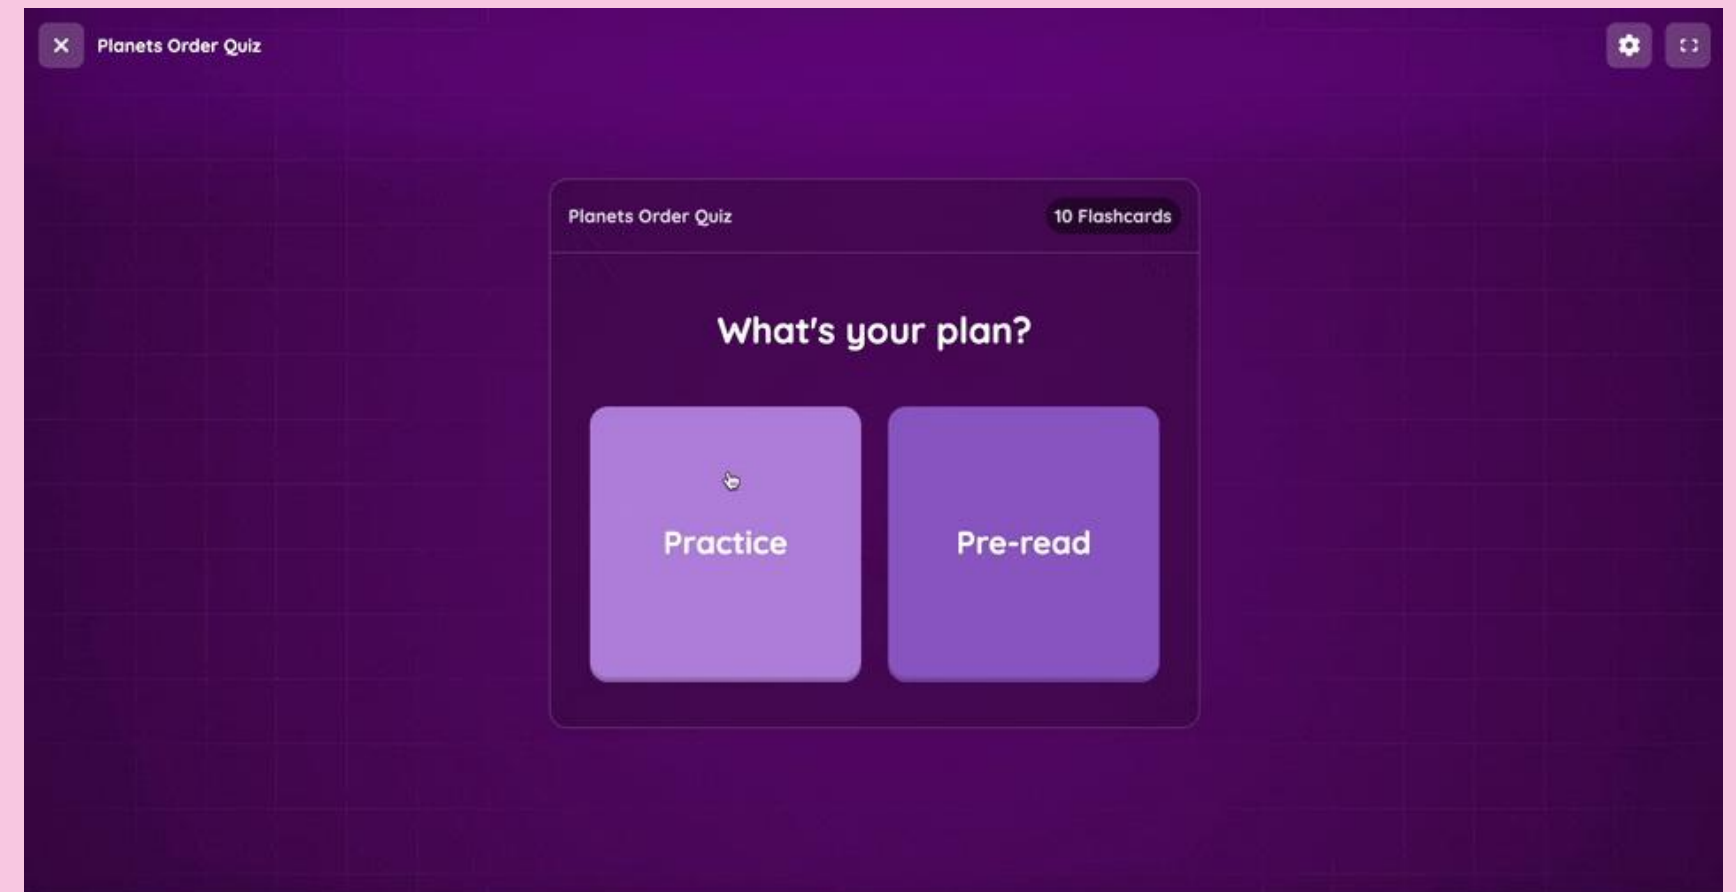

Over **135k+** ready-to-use community created interactive videos

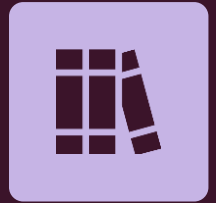

- Use the popular YouTube channels filter to find your favorite ready to use activities. Copy and edit to make them your own
- Upload your own videos and use AI to generate questions from them
- Add YouTube videos from your own channel to generate questions with AI on them
- If you can't find your video in the library, look for YouTube videos and choose from 7 different questions types to add manually

Flashcards

- Active recall and repeated exposure to information which supports long-term retention.
- Two modes:
 - Practice mode
 - Pre-Read mode

Wayground Library

Wayground Library

- Suggested topics
- Search by Activity Type
- Multiple options for an activity

Standards Search and Creation

The image shows the Quizizz dashboard search interface. At the top left is the Quizizz logo. Below it, the user's name 'Arathy K' and 'Quizizz' are displayed, along with a 'View my district' link and 'Schools & Districts account' text. A 'Create' button is visible. The main area has a search bar containing 'L.4.1.a ca'. Below the search bar, a result for 'L.4.1.A California Common Core: Language' is shown. A notification banner at the bottom of the dashboard reads 'On recent quiz - "Fractions, Fractions, Fractions!" Kudos! Your class scored 100%'.

The image shows the search results and a detailed view of a quiz question. The search bar at the top contains 'L.4.1.a ca'. The results section shows a card for 'L.4.1.A California Common Core · Language' with a description: 'Use interrogative, relative pronouns (who, whose, whom, which, that) and relative adverbs (where, when, why)'. Below this are filters for 'Grade 4', 'English', and a list of standards from L.4.1.A to L.4.1.G. The 'All results' tab is selected, showing a list of quiz results: 'Relative Pronouns & Relative Adverbs' (4th grade, 10 Qs), 'Relative Adverbs' (4th grade, 12 Qs), 'Adverbs and Pronouns (Relative)' (3rd-4th grade, 17 Qs), and 'Relative adverbs' (4th grade, 10 Qs). The detailed view of the first quiz shows the title 'Relative Pronouns & Relative Adverbs', '10 Questions', and 'Bernice Khor · CA,CC: L.4.1.A, L.4.1.B, L.4.1.C'. It includes 'Play' and 'View activity' buttons, a 'Save' button, and a '+ Add' button. The question type is 'Multiple choice'. The question text is 'What is the relative adverb in the sentence? Do you know where I can buy a new skateboard?'. The options are 'do', 'know', 'where', and 'can'. The 'where' option is selected. The tags section shows 'L.4.1.A'.

Activities based on Books on Quizizz

Plan your entire unit on Wayground – Literature

How it works:

Find activities for your entire unit – from Pre-reading, Lessons, Chapter reviews, character analysis, Vocabulary, Final review and more.

The screenshot shows the Quizizz interface for the book 'Hoot'. At the top, there is a header for 'Hoot' with a description: 'Roy Eberhardt, new to Florida, encounters bullying and a mystery surrounding endangered burrowing owls. With the help of new friends, he works to save the owls from a pancake restaurant's construction site.' Below the header are navigation tabs: 'Pre-reading', 'Lessons', 'Chapter review', 'Vocabulary', 'Final review', and 'Other skills'. The 'Lessons' tab is selected. On the left, there is a list of lesson cards:

- Hoot - Chapter 1 & 2**: 3 Slides | 8 Questions | 6th Grade
- Hoot Ch. 21 Summary**: 6 Slides | 6 Questions | 6th - 12th Grade
- Hoot Ch. 14+15**: 7 Slides | 14 Questions | 5th - 12th Grade
- Hoot Ch. 16 and 17**: 8 Slides | 18 Questions | 6th - 12th Grade

The main content area displays the selected lesson: 'Hoot - Chapter 1 & 2' by Clarice Armstrong | United States. It includes a 'Play' button, a 'Save lesson' button, and a 'Share' button. Below the lesson title, it shows '3 Slides' and a 'Show Answers' toggle switch. The main content area also features a large slide with the text 'Hoot - Chapters 1 & 2' and the Quizizz logo.

Use Phet Simulations with Quizizz

Dive into concepts in physics, chemistry, and various other subjects.

Enable students to experiment and deepen their understanding of a range of scientific topics.

Students interact with the simulations and answer questions about them at the same time (various QTs)

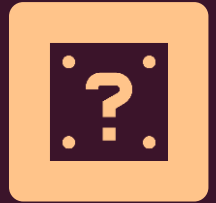

The image shows a screenshot of the PhET 'Concentration' simulation interface. The simulation area includes a faucet, a 'Drink mix' container, a beaker with a 1 L and 1/2 L scale, and a 'Concentration' meter. Controls include 'Solute' (set to 'Drink mix'), 'Solid' and 'Solution' buttons, an 'Evaporation' slider (set to 'none'), and a 'Remove Solute' button. The PhET logo is visible in the bottom right corner of the simulation window.

Overlaid on the right side of the simulation is a Quizizz interface titled 'Questions (8)'. It contains five multiple-choice questions (MCQ) related to the simulation:

- Q1: MCQ
In the simulation, observe the color of the solution as you add solute. What happens to the color of the solution when the concentration increases?
- Q2: MCQ
In the simulation, use the "Remove Solution" button to take out part of the solution. What happens to the concentration when you remove some of the solution b...
- Q3: MCQ
In the simulation, add solute until the solution reaches saturation. What happens when you continue to add solute after the solution is saturated?
- Q4: MCQ
In the simulation, reset the solution and add solute in small increments. How can you tell the solution is approaching saturation?
- Q5: MCQ
Use the "Add Solute" button to create a concentrated solution, then use the "Add Water" button. What happens to the concentration of the solution when you dilute it b...

At the bottom of the Quizizz interface, there is a '+ Add a Question' button.
