

OUT WITH THE OLD *in with the new*

Esk Caravan Park thought it was time to renew their tractor after a long 16 years.

The old 404 had served them very well, so they have decided to go with the 2024 DFS 454 with industrial tyres

Brismac worked hard to have the new tractor delivered before the Australia day long weekend, with a few extra options fitted. Randal could not wipe the smile off his face after receiving the new machine!

Huge Thank you for your returned business,
Esk Caravan Park!
