

## **Terms and Conditions for the Type 1 Diabetes Trial**

### **1. Introduction**

These Terms and Conditions govern participation in the Type 1 Diabetes Trial ("the Trial") conducted by 369 Health LTD ("the Organiser"). By applying for and participating in the Trial, participants agree to comply with these Terms and Conditions.

### **2. Eligibility Criteria**

To participate in the Trial, individuals must meet the following eligibility requirements:

- Be aged between 25 and 65 years old.
- Have a confirmed diagnosis of Type 1 Diabetes for at least one year.
- Use a continuous glucose monitoring device.
- Lead a health-conscious lifestyle, including regular exercise and a balanced diet.
- Have no significant coexisting health conditions.
- Be willing and able to provide feedback throughout the Trial.

The Organiser reserves the right to verify eligibility and disqualify any participant who does not meet the criteria or violates these Terms and Conditions.

### **3. Voluntary Participation**

Participation in the Trial is entirely voluntary. Participants may withdraw from the Trial at any time by providing written notice to the Organiser.

### **4. Nature of the Trial**

The Trial is an exploratory investigation into the effects of Quantum Frequency Therapy and Sound Wave Relaxation Therapy on well-being. Participation does not constitute a substitute for professional medical advice, diagnosis, or treatment. Participants should consult their healthcare providers before joining the Trial.

### **5. Participant Responsibilities**

Participants agree to:

- Follow all instructions provided by the Organiser during the Trial.
- Provide accurate and timely feedback through questionnaires, check-ins, and optional verbal reports.
- Refrain from making claims about the therapies based on their participation in the Trial.

### **6. Confidentiality and Privacy**

The Organizer will protect the confidentiality of participant information in accordance with the Privacy Policy outlined below. Personal and medical data will be anonymised in any reports or publications arising from the Trial.

## **7. Risks and Limitations**

While the therapies used in the Trial are non-invasive and generally considered safe, participants acknowledge that:

- Results may vary, and benefits are not guaranteed.
- The therapies are investigational and not intended to replace standard diabetes management.
- The Organiser is not liable for any adverse effects experienced during or after participation.

## **8. Intellectual Property**

All materials, protocols, and therapies provided as part of the Trial are the intellectual property of the Organiser and may not be reproduced, distributed, or used for any purpose outside the Trial.

## **9. Termination of Participation**

The Organiser reserves the right to terminate a participant's involvement in the Trial at any time, including for failure to comply with these Terms and Conditions or for any reason deemed necessary to protect the integrity of the Trial.

## **10. Modifications to the Terms and Conditions**

The Organiser reserves the right to modify these Terms and Conditions at any time. Participants will be notified of any changes.

## **11. Contact Information**
