Avante Medical Surgical is a premier surgical and medical equipment supplier that provides a combination of new and professionally refurbished equipment to medical professionals around the globe. As an ISO 13485:2016 certified supplier of medical devices, we are committed to quality equipment, parts, and service.

Formerly known as DRE Medical, Avante Medical Surgical has more than 30 years of experience in the medical equipment industry. Since we began in 1984, we have grown into a key provider of medical equipment to a range of facilities in more than 150 countries. Every day, healthcare professionals rely on medical equipment from Avante to provide quality care to their patients.

We recently finished construction on our new Avante Medical Surgical headquarters. The new space measures nearly 70,000 square feet and features an ultra-modern warehouse and state-of-the-art biomedical production and administrative office spaces. Our new headquarters provide enough space for future expansion as Avante Medical Surgical continues to grow.
