### **PREIDENTS MESSAGE**

I hope this e-mail finds you and your family safe and healthy after the emotionally charged weeks that carried us thru March and April. In spite of everything that seemed to go wrong in the world, I was inspired to see the community mobilize, adjust and adapt to keep moving forward in the uncertainty and chaos. It gives me tremendous hope about what is possible when we work together, even in the most dire circumstances. We know there is uncertainty in the next few weeks and maybe months ahead, however, we will continue to stay connected thru Facebook, e-mail communications, and now our newsletter that Jim has graciously created. We understand during this difficult time, it is critical to help each other and do what we can for those who may have lost their jobs or simply can't find the necessary items needed in the grocery store. Please don't hesitate to reach out to any Board Member if you need something that we maybe able to help with. We will resume our club meetings and other functions as soon as deemed safe. In the meantime I will continue to put together cruises that I feel are safe for us to attend so we can get out and enjoy this great weather!

Stay safe and healthy and Happy Easter!

Deana
