PINK PHURREE (pronounced “fury”) is a 501(c)(3) charity that supports and empowers women living beyond cancer. As cancer survivors, we embrace every moment to live purposefully after cancer diagnosis. **An unconventional support group,** PINK PHURREE promotes wellness and builds community on and off the water. You do not need to be an athlete or have any experience. You do not need to have a desire to learn and have fun. **Come out and paddle with us!**
