**Day 2 — Wednesday May 4 — Welcome to Porto, Portugal!** Arrive mid-day and transfer to our downtown hotel. Time to freshen up before welcome drinks, and our welcome dinner together with new travel companions—"Saude!" (cheers)! (In flight service, welcome dinner).

**Day 3 — Thursday May 5 — Porto, Tram Museum, Cruise Embarkation** We'll board one of the city's trams and partake in this urban-tourism experience all the way to the mouth of the Douro. We'll finish up our excursion with a tasting of some of the local specialties After our tour we will board our rivership the 5 Anchor M/S Amalia Rodrigues. Enjoy our welcome aboard party and dinner. (Breakfast, lunch, dinner onboard)

**Day 4 — Friday May 6 — Explore Porto** (Breakfast, lunch, dinner onboard) Today we enjoy touring this UNESCO world heritage city including its stunning cathedral, Sé do Porto, which stands high above the River Douro. Built near the old city walls, some say the cathedral looks as much like a fort as a religious building. Next is Torre dos Clérigos. This impressive tower is 75 metres tall and the views from the top over the city and the river are more than worth the climb up the 240 steps. No visit is complete without Teleférico de Gaia to ride the modern cable car that takes us over the rooftops of Gaia and offers some of the very best views of the city. (Breakfast, lunch, dinner onboard)

**Day 5— Saturday May 7 — Explore Mateus Palace and Vila Real** — We'll leave from Regua or Pinhão for Vila Real, where aristocrats built grand palaces during the 16th and 17th centuries. The architecture of the religious buildings is here extremely varied. We'll take a panoramic tour of the city by coach, followed by a tasting of the local pastry, Cristas de Galo. We'll then set out to explore Mateus Palace, the most beautiful and astonishing manor in all of Northern Portugal. This 18th-century beauty is set in a hilly landscape reminding us of Mexico. The subtle mixture of granite, white walls and extravagance from the Age of Enlightenment such as ledges covered in statues and Baroque style pilasters is a striking feature. Behind the manor is a delightful garden with box hedges, more statues, and a spectacular 115-foot cedar tunnel. After our tour, we'll return to our ship in Regua or Pinhão. (Breakfast, lunch, dinner onboard)

**Day 6 — Sunday May 8 — Enjoy Salamanca Spain** Since 1988, the Old Town of Salamanca has been listed as a World Heritage Site by UNESCO. We'll visit the cathedral whose successive extensions created a mixture of styles going from late Gothic to Baroque, including Renaissance. Afterwards, we'll visit one of the world's oldest Universities which first opened in 1218. Also known as "Escuelas Mayores", the University building has a sumptuous gate adorned with the city's most famous design: a frog atop a skull - symbolic of the sin of lust being punished after death. Its wonderful library brims with old manuscripts dating back from prior to the 19th century. You'll enjoy lunch and be free to discover the city on your own. Return on board in Vega de Teron. (breakfast, lunch, dinner onboard)

**Day 7 — Monday May 9 — The Porto Wine Trail, from Ferradosa** Departure from Ferradosa for our excursion along the Porto wine route. We'll discover this incredible vineyard extending over 100 km along the Douro river all the way to the Spanish border. We'll visit San Salvador do Mundo and Sao Joao da Pesqueira, two small towns set among the vineyards in the Rio Torto valley. In Sao Joao da Pesqueira, you will have the opportunity to explore the arcaded main square, the chapel and the white houses with their balconies. You will visit a quinta (wine cellar) to taste the famous Porto. We'll return on board in Pinhao or Folgosa. (breakfast, lunch, dinner onboard)

**Day 8 — Tuesday May 10 —Porto to Lisbon by high speed rail** Disembark our ship today where our cruise began in Porto.
